

# Teen-Agers Give Views On Drink, Smoking, Drugs

TYPICAL SCENE, or rare? Probably more rare than many Magic Valley adults think, according to a Times-News survey. (Times-News photo)

By CATHERINE TATE  
Times-News Staff Writer

Hybrid automobiles are methodically maneuvered down the Main Avenue of a dozen Magic Valley towns as scores of sometimes anxious parents, comfortably ensconced in comfortable homes, debate an age-old question.

Is it good or is it alive?

In this case, refers to the thousands of young Americans who comprise the area's teenage population. The debate has continued since that ancient day when two generations were first established.

The older group traditionally views the actions and attitudes of the younger with what is traditionally termed alarm. Again following tradition, the younger generation is reputed to view the actions of the older with snug distrust.

But this latter trend has apparently been reversed in Magic Valley, according to the results of a recent survey reported recently completed by the Times-News.

Results of this survey seem to indicate that area parents can withdraw their alarm—their children have adopted largely positive attitudes about drinking, drinking and use of hallucinogenic drugs by teenagers, and more and more respect the teachings of parents and church and are tending toward adoption of the philosophy that judges peers on the basis of individual qualities rather than ability to conform.

Apparently, the teenage rebellion against parental and formal authority in Magic Valley is primarily a silent one and largely unconvictional.

The survey questionnaires were distributed to 25 more, junior and senior students at Twin Falls, Gooding, Hagerman, Burley, Kimberly, and Shoshone high schools. Twenty questions, covering student attitudes toward smoking, drinking and use of hallucinogenic drugs by teenagers, were asked. Nine questions required a yes or no answer, five could be

answered with one or two words and required brief essay answers.

The survey was not designed to elicit accurate statistical answers—its purpose, instead, was to at least partially determine the Magic Valley teen-ager's attitude toward the use of these items.

The results indicate that the students are almost unanimously ignoring the pleas, reasoning and scare tactic now being employed by the American Cancer Society, the U.S. Public Health Service and the American Medical Association in curb teenage smoking.

A recent poll conducted by the Scholastic Book found that 35 per cent of senior high school students smoke. The Times-News is not in a position to report on the accuracy of this finding in application to Magic Valley high school students. However, the survey results showed only that social, rather than health, considerations are asked. Nine questions required a yes or no answer, five could be

answered with one or two words and required brief essay answers.

### Burley Shooting, Stabbing Probed; Youth, 19, Dead

BURLEY — One 19-year-old youth died at Cassia County Memorial Hospital Saturday night of a gunshot wound and another was listed in undetermined condition with a knife wound after two separate incidents near the Burley Area Saturday, Francisco Martinez, 19, Burley Labor Camp, was fatally shot in the head after an incident that took place at 4 p.m. Saturday between the Burley Sugar factory and the stockyards. Burley police were holding Lupe Lara, 28, address unknown, in custody in connection with the shooting. Details of the incident were unavailable at press time Saturday.

Cassia County Hospital authorities said that Martinez died at 7:30 p.m.

In a separate stabbing and robbery, Willie C. Crawford, 19, Fresno, Calif., was reportedly overpowered by four men on an isolated country road three miles east and one-half mile south of Miller, robbed of \$10 and then stabbed once in the back. His condition is listed as undetermined.

Crawford, a former Magic Valley Christian College student who was attempting to hitchhike back to California, was picked up by four men in a 1955 Ford on the west end of Burley at about 3 p.m. Saturday, he told Burley police.

The boy said the men had driven him to a spot on the Miller road, where they turned and drove south for approximately one-half mile, stopped the car, robbed and stabbed him.

The men then reportedly got back in the vehicle and left. Crawford said he walked south until he saw a man on a tractor and called to him. The man, police said, was Mark Moorhead, 19, who was driving a 1955 Ford. Moorhead later drove the boy to the hospital and notified police.

Burley, Twin Falls and Rupert police and sheriff's officers then set up roadblocks in the area and a car matching the description was apprehended at 8:30 p.m. near a service station in Burley.

Two suspects, Demetrius Trull, 21, owner of the car, and Gilbert Vign, 19, were taken into custody after being identified by the youth as two of the four men who had picked him up. The men claimed to have been alone all afternoon, police report.

Investigation is continuing in both incidents, and charges are pending.

**VILLAGES FLOODED**  
DAMASCUS, Syria (AP) — Twenty villages in northeastern Syria have been threatened by torrential floodwaters of the Euphrates River, an Interior Ministry spokesman announced Saturday.

**Movement To Recall Church Gets Setback**

BOISE (AP) — A movement to recall Sen. Frank Church, D-Idaho, received another setback Saturday with an Idaho attorney general's opinion that the initiative recall petition was not acceptable.

Atty. Gen. Allan Shepard ruled Saturday that the petition did not contain the 25 signatures required for the initial petition. Idaho Secretary of State Pete C. Conrad was instructed by Shepard not to file the document.

The petition did contain 20 signatures, but only 19 had been validated by the Kootenai County Clerk who acts as ratifying officer.

In addition, since the petition was filed early last week, one of the signers whose name was validated has requested that his name be withdrawn.

Shepard said should a petition be filed with 25 valid signatures, it would be due to the voters in the November election. A total of more than 25,000 signatures would be required to force a special recall election.

The rejected petition was left with Congressmen Tuesday by a St. Maries resident; Gene G. Hanes, who said he was chairman of the "Victory in Vietnam" committee.

Cannara said Millican claimed to have such a petition circulating in each of Idaho's counties, but most of them have been submitted.

Appearing in the parade were a Salt Lake City horse patrol marching unit, the Salt and Peppers, the Black Light Patrol, the Players and the Poets of the Burley Oriental Band; Poets of the Burley Oriental Band; Poets of the Burley Oriental Band; Poets of the Burley Oriental Band.

The Grand Potentate, William Hanes, and members of his divan were presented to the ceremony during the parade. The office of potentate is equal to that of state president in the Grand Potentate's supporting officers comprise his divan.

### Percy Signals New Attacks On Policies

By JACK BELL  
WASHINGTON (AP) — Sen. Charles H. Percy, R-Ill., signaled fresh senatorial attacks Saturday on President Johnson's policies by calling transfer of U.S. troops to Vietnam "a step in the wrong direction."

Secretary of State Dean Rusk's Foreign Relations Committee Tuesday for a private review of the whole spectrum of Vietnam policies. Sen. Karl E. Mundt, R-S.D., a supporter of Johnson's war course, said he and other senators want a detailed explanation from Rusk of the reasons for placing under Gen. William C. Westmoreland the command phase of the program of military and economic reforms.

### Common Market Talks To End On Sunday

GENEVA (AP) — On the eve of the deadline they have set for themselves, negotiators in the Kennedy round discussions said they were making rapid progress.

Although there was a general feeling that some form of agreement would emerge, negotiators said there could be much less tariff cutting than has been hoped. There was some chance even that nearly half the tariff would have to be abandoned.

### Shriners Cavort At Ceremonial In T.F.

An enthusiastic crowd numbering at least 4,000 witnessed the colorful Shrine Ceremonial parade through the streets of Twin Falls Saturday afternoon. "Gees" and "ahs" were common and the band played on, as the meandering parade ushered in the first Shrine Ceremonial to be held in Twin Falls since 1928. Nearly 400 Shriners and their wives from all over Idaho registered for the one-day event, held annually to honor new members.

READY TO FLY during the Civil Air Patrol cadet orientation flights are some of the 80 Twin Falls, Burley and

## Civil Air Patrol Cadets Take Orientation Flights

Approximately 75 young men Nichols, Burley; Lt. Norman, between the ages of 13 and 18, Thompson, Twin Falls, and three teenage girls took Cherokee Eagle flights, Twin Falls, in a day of flying, flight training and close order drill at cadet orientation flights, by the Civil Air Patrol Saturday at the Twin Falls Municipal Airport.

The young people were representatives of the Twin Falls, Burley and Burley squadrons, and several of them had never flown before. Included in the day's activities were four bog flights in a C-29 aircraft from the Denver, Colo., Region Headquarters of the Civil Air Patrol. Piloting the plane were Lt. Col. Carmen P. Felce and Lt. Col. Jack C. Wocher, both Denver.

Ten of the cadets carried special duties in much smaller, light aircraft piloted by Col. Ronald E. Weaver, Lt. Col. May V. O. (Gus) Kefler, the 10 cadets are James E. Falkner, Rupert, Bill Thompson, Victor Miller, Mickey Mori, David Robinson, Dave Siss, Don Coen and Charles Hantons, all Twin Falls, and Mike Harris and Randy Nichols, both Burley.

The day's activities included a glider demonstration by Maj. Edward H. Butts, Twin Falls, and Maj. Ray Burley, Burley, and close order drill in the morning.

Working with the young people on the orientation flights were Capt. William Crewe, and squadron commanders, Maj. Neil Weir, Rupert, Capt. James

Rupert cadets who took part in a day of training, soaring and drill Saturday at Municipal Airport. (Times-News photo)

you have never seen it before. The exterior of the house itself should be studied next. In some cases, it is advisable to apply a fresh coat of paint. In any case, windows should be sparkling, all outside plumbing and lighting fixtures should be operative, and minor repairs should have been made.

With everything clean and well-lighted, make a tour of the house yourself. Check all the things you would be doing if you were a potential buyer. Pull out drawers, open cabinets and doors, try the windows. Look for drips, squeaks, cracks, and anything else. When you find something not functioning properly, get it repaired, he advised.

"The realtor you have chosen is a professional in real estate. You can expedite the sale of your home by letting him handle all aspects of the transaction, and especially through multiple listing," Mr. Stewart said.

## Ramsey Clark Urges Lawyers To Learn Problems Of Crime

WASHINGTON (AP) — Atty. Gen. Ramsey Clark told a lawyers conference in crime control today that his associations with the nation's largest and largely unfulfilled role "in what may be the most critical problem in society today—crime."

He urged the lawyers to make it their business to learn the problems of their police and local criminal courts.

"The bar can offer a vital link between police and community," Clark said. "It is in this area that we have our largest responsibility."

About 400 lawyers gathered here today to attend the conference, jointly sponsored by the Department of Justice and the American Bar Association.

The conference is expected to devote its major attention to the findings contained in the recent presidential report on crime, with emphasis on how local bar associations can implement these findings.

The conference was held by the American Bar Association, that conference over crime "is greater today than it ever has been in our nation's history."

Clark, however, said the conference would concern itself with the short-range problems, asking "what is it that lawyers and bar associations can do now?"

Clark offered these answers:

ATTY. GEN. RAMSEY CLARK

—They can actively concern themselves about the needs of their local police departments.

—They can volunteer their services to counsel police in the interpretation and application of recent court decisions.

—They can alert the community to the magnitude of the crime problem and seek public support for stronger law enforcement.

—Finally, they can provide more lawyers to represent the poor and see to it that criminal court procedures move without undue delay.

# Magic Valley Memorial Hospital Is In Big Business Of Saving Lives

Over and over again, Mrs. Dorita Hoskin goes about the daily task of cleaning and shining more than two acres of floors.

A nonchalant tube-in-mouth test, Martha Miller, medical technician, makes a routine blood test in the hospital's vast laboratory.

... and an ounce of Vitamin B. Ken Reid, registered pharmacist prepares a prescription.

TONSILLITIS ... tracheostomy ... trauma ... tumors and tummy aches. Registered record librarian Mrs. Lynn Kincaid looks for patient record at Magic Valley Memorial Hospital.

## Activities Are Varied, But Have "Human Touch"

By RUTH KOONCE MILLER  
Times-News Staff Writer

Magic Valley Memorial Hospital is a business — a big business.

The facility, located near the west edge of Twin Falls, is one of thousands of hospitals throughout the nation which joined in a National Hospital Week observance May 7-13.

It is housed in one of the largest physical plants in Magic Valley. There, however, is the relative end of the comparison. It and other hospitals in the area have other large businesses.

The differences are great. Service is the end product of a hospital — not a tangible, profit-making item. Magic Valley Memorial Hospital did about \$1.8 million in business last year — the same amount of money it expended in giving its patients the best in up-to-date medical care.

Most of the funds to run the hospital came from patients, not tax dollars. Compared to the approximate \$1.5 million in cash receipts from patients, only about \$75,000 came from the Twin Falls County tax mill levy.

Also, unlike other large businesses, Magic Valley Memorial Hospital expended 72 per cent of each dollar for salaries and professional fees, and the other 28 per cent for operating expenses — just the opposite of the general expenditure trend in industry.

There are several reasons for this variance in expenditures. Most hospital employees are highly trained in their various fields. Industry also employs skilled labor, but the ratio between skilled and common labor is much closer than in a hospital operation.

Also, what other type of large enterprise in Magic Valley requires such a large "customer" employee ratio? At Magic Valley Memorial Hospital there are two full time employees for each patient in the hospital each day. Hospitals are one place, according to James Rosenbaum, assistant administrator, where automation can never replace the human element. "Because of its highly personalized nature," he said, "medical care cannot be automated to any great extent."

Last year 5,638 adults and children and 829 newborn babies were admitted to the hospital. To provide competent medical care for these people, 197 full-time employees and 64 part-time employees were on the job. Unlike most other businesses, a hospital is a 24-hour-a-day, 365 days a year proposition.

In addition to regularly employed, paid personnel, the Hos-

pital Guild, Caudesisters and Hospital Board gave over 10,000 hours last year on a volunteer basis.

Doctors and nurses are probably the most familiar of all hospital staff members. Doctors perform operations, administer treatment and make daily bed checks, etc. Nurses assist them in this and probably have more satisfaction, contact, than any other employee branch.

Some of the untiring heroes of the staff are the women who daily clean and polish more than two acres of floor area to maintain a "hospital clean" appearance.

The women who man the hospital's 24-hour-a-day do everything from paging the medical staff to giving room numbers to visitors. Last year more than 150,000 calls went through the switchboard.

The registered medical record librarian and her staff add, according to doctors and operators, 6,477 separate patient medical records in 1966. Over 50,000 drug orders were filled by the registered pharmacist at the hospital and over 2,500 antibiotics were administered by doctors trained and specializing in this service.

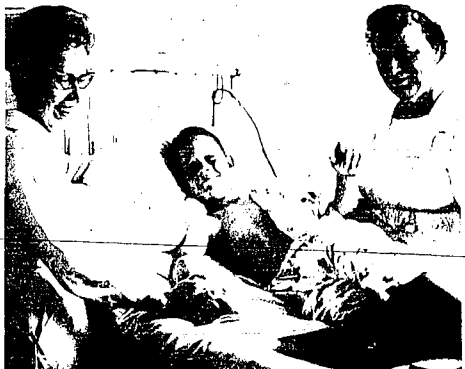

Thousands of X-ray diagnostic studies, laboratory tests and hours to produce heat, steam and general maintenance were among statistics chalked up at Magic Valley Memorial Hospital during 1966.

Patients received 2,459 operations, and 1,858 received special post-operative care in the post anesthetic recovery room.

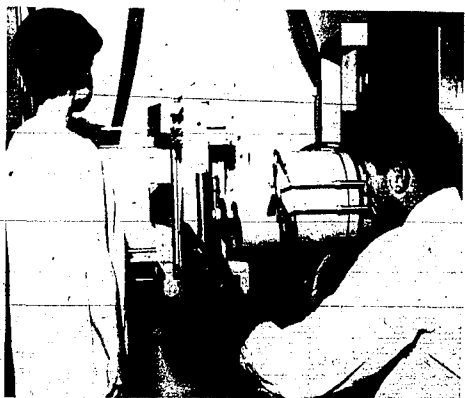

About 70 premature infants received incubator care. The dietetic department, served 14,892 meals in 1966. "A patient's diet," according to Mr. Rosenbaum, "is a very necessary part of therapeutic treatment in a hospital—ranking second only to drugs."

"Hospital care is expensive," he said, "and will continue to be more so as wages and cost of sophisticated equipment climb." However, National Hospital Week is a good time to remember that hospitals are not profit-making organizations. They charge just what they must expend to bring the best in qualified medical care, equipment and helpful conditions to the people they serve.

"Each staff member at Magic Valley Memorial Hospital plays a part in this endeavor," Mr. Rosenbaum noted. The people who laundered the 487,260 pounds of laundry and linen at Magic Valley Memorial Hospital last year contributed, in their part, just as the doctor who performed a complicated operation.

SO WHAT'S SO bad about being in a hospital? Gary Byington received lots of tender loving care from Nancy Churchman, RN, left, and Mrs. Marie Hawkins, LPN, during a recent hospital confinement.

INSIDE STORY on patients. Dr. C. R. McWilliams amplifies images with X-ray equipment in a \$35,000 room.

WELCOME RESPITE for visitors. The coffee shop at Magic Valley Memorial Hospital offers a warm cup of coffee in a relaxed atmosphere for floor-pacing fathers and other visitors. Linda Graff does the honors.

With pen poised, Mrs. Irene Oliver, administrator, oversees the "daily care."

# Idaho Employee Retirement System Growing Fast

By MARK BROWN  
Associated Press Writer

BOISE (AP)—During its first 21 months of existence, the Idaho Public Employees Retirement System more than doubled in size. By July 1 of this year, it will double again.

The second surge will come all at once, when about 15,500 public school and junior college employees become members of the system.

This carries out an act of the 1962 Idaho Legislature merging the public employees and teachers retirement systems and making membership mandatory.

The public employees retirement system was created in 1965 and had about 5,000 members. At the end of March, 1967, membership was 11,000, but when the merger of the two systems takes effect July 1, the system will total 22,500 members.

Current membership of the teachers retirement system is 2,700, so the system will gain about 8,800 members who have not been in any retirement system before.

Of that number, about 3,500 are non-teaching public school employees such as janitors, bus drivers, nurses and cooks. For those coming into the retirement system, benefits will be based on prior service and current income.

Members of the present teachers retirement system will be paid a refund of all employee contributions to the teachers' system.

Employer contributions to the new system will be based on the employee's income up to \$400 a month and six per cent on income above that.

In addition to employer contributions, the employee will contribute the rate of Idaho — con-

tributed at the rate of 8.1 per cent of each employee's total income. Effective July 1, the employee contribution rate will be 8 per cent.

Benefits for employees under the system will be determined as follows: The basic benefit received each year will be at the rate of one-third of the employee's total contributions, plus interest, less taxes, to the system.

Additional credit for benefits will be based on prior service. There is a hypothetical example of how benefits for a teacher with 10 years' experience entering the system this July would be computed.

Prior service credits are computed to July 1, 1955, the date of the creation of the Public Employees Retirement System. 20 and 30 years, because early of

This calculation, plus repayment retirement may be applied for teachers system when he joined at the age of 55.

Assuming a teacher's average salary as a contributing member for an equal footing, said T. F. Terrell, executive secretary of the system, the system would be \$6,000 a year, his contribution to the system would be \$4,800 at age 55 or \$6,450 at age 65.

He would receive one-third of prior service credit, the teacher that amount each year as his retirement benefit. If he retired at age 65, his basic retirement income each year would be \$2,160 — or \$150 per month.

In addition, he would receive regular retirement benefits of \$72 per year, bringing his monthly retirement pay to \$188.

If he was a member of the teachers retirement system, he would have been given a refund of all contributions to the old

retirement system when he joined at the age of 55.

Assuming a teacher's average salary as a contributing member for an equal footing, said T. F. Terrell, executive secretary of the system, the system would be \$6,000 a year, his contribution to the system would be \$4,800 at age 55 or \$6,450 at age 65.

DISPLAYING ITEMS made by handicapped persons in Idaho are, from left, Neil Cronin, vice president of the Twin Falls Lions Club, and Cornell Bird, chairman of the LIVE, Inc., sale of the items. Lions Club members will sell the products door-to-door Tuesday and Wednesday evening. (Times-News photo)

## Lions Club Set To Conduct Annual LIVE, Inc., Sale

Brooms, braided rugs, nylon car tow tugs, nylon wet mops, brass wind chimes and rubber door mats are among the items to be brought to the consumers' doorstep by members of the Twin Falls Lions Club during the annual LIVE, Inc., sale.

The items are made by blind and otherwise physically handicapped persons at the LIVE, Inc., headquarters in Boise. Proceeds from the sale are used to expand the facilities at the Boise headquarters, a handicapped persons employment center.

Lions Club members will conduct the sale door-to-door in Twin Falls Tuesday and Wednesday evening. According to Cornell Bird, sale chairman, the Lions will be calling on private homes during the early evening hours and hope to contact each Twin Falls residence.

LIVE, Inc., is a non-profit organization with a workshop in Boise. It was established in 1961 by the Lions Clubs of Idaho to help the handicapped and blind of the state.

Governed by a board of nine

## William Berg, Wendell, Dies At Age of 74

WENDELL—William K. Berg, 74, Route 2, Wendell, died Friday at Magic Valley Memorial Hospital of a short illness. Mr. Berg was born July 1, 1892, in Tonahaw, Wis. He married Elizabeth M. Harvey in Great Falls, Mont., Feb. 7, 1917. He moved from North Dakota to San Diego, Calif., in 1952 and lived there until 1956, when he came to Wendell.

He attended the Lutheran Church and was a retired farmer and rancher.

Survivors, in addition to his widow, include two sons, Kenneth Berg, Shelby, Mont., and Stanley Berg, Twin Falls; two daughters, Mrs. Paul (Louise) Strange, Clinton, Ill., and Mrs. Ole (Helen) Kleveness, Wendell; two sisters, Emma Berg and Mrs. B. W. (Lottie) Scott, both in San Diego, Calif.; 14 grandchildren and one great-grandchild. Two brothers, two sisters and his parents preceded him in death.

Funeral services will be conducted at 11 a.m. Tuesday at White Mortuary Chapel with Rev. Eugene Flork, pastor of the First Lutheran Church, officiating. Concluding rites will be held at Sunset Memorial Park. Friends may call at White Mortuary Sunday and Monday and until 10 a.m. Tuesday.

## Miss Buhl Pageant Set For June 10

BOISE.—The Buhl Lions Club announced that the annual Miss Buhl Pageant will be held at 7 p.m. June 10, at the Buhl elementary school auditorium.

Advance tickets are now available from any Lions Club member.

Contestants for this year's competition include Diana Featherstone and Linda Jill Quigley, Castleford; Linda Jean Watson, Burdette; and Carol Twedy, Buhl; Linda Akers and Sandra Wendler, Burdette; and Ann Hall and Linda Short, Wendell.

The winner will be chosen from these girls on the basis of voice, charm, and talent. The competition will be divided into three categories: swim suit, formal gown and talent.

The new Miss Buhl will receive a \$200 scholarship from the Buhl Lions Club. A \$100 scholarship is donated by the professional men for the first runner-up, and other prizes will be \$10, \$15, and \$25 gift certificates donated by the Buhl merchants.

CAREFUL GROOMING is only part of the work in showing a purebred dog. Mrs. H. H. Heard, left, prepares Heard's Gopher, and Mrs. Chris Krauth prepares Buck Thorpe of Washington.

## Area Dog Owners Prepare Animals For Show Circuit

Many Magic Valley dog owners are putting the finishing 23 at the Merchants Building at touches on their purebreds this the Filer Fairgrounds. Six classes in preparation for the exhibition of dogs will be shown "Circuit" dog shows throughout Idaho, Utah and Washington.

There are six such shows in the area, one of them slated in Twin Falls on May 23. The other five shows of the Idaho-Utah-Washington circuit are at Clearfield, Utah; Salt Lake City, Utah; Boise, Spokane, Wash., and Aberdeen.

The all-breed dog show, sponsored by the Twin Falls Idaho Kennel Club will be held May 23 at the Merchants Building at touches on their purebreds this the Filer Fairgrounds. Six classes in preparation for the exhibition of dogs will be shown "Circuit" dog shows throughout Idaho, Utah and Washington.

## Mrs. Bonadiman Taken By Death

RUPERT — Mrs. Ernesta Bonadiman, 70, long-time Rupert resident, died Friday at the Minidoka Memorial Hospital of a short illness.

Survivors, in addition to her husband, include two daughters, Mrs. William A. (Ann) Lindsay, Helena, Mont., and Mrs. Elmer (Clara) Rich, Rupert. Two sons, Rudy Bonadiman and Henry Bonadiman, both Ruperts, and 14 grandchildren.

Rosary will be recited at 8 p.m. Monday at the Walk Mortuary Chapel. Requiem mass will be celebrated at 11 a.m. Tuesday at St. Nicholas Catholic Church, with Rev. Malachy McNeil as celebrant. Concluding rites will be held at the Rupert Cemetery.

## Twins Born

MARSHFIELD, Wis. (AP) — Twins weighing 21 pounds 8 ounces — just seven ounces off the American Medical Association record — were born Thursday to Mrs. LeVern Dupre, 42, of rural Appleton.

A girl weighing 10 pounds, 8 ounces, was first to arrive, followed within a minute by a boy weighing 11 pounds. The girl measured 22½ inches, the boy 23 inches. The children were delivered by Caesarean section.

## LDS Seminary Missionary To Give Talk Class Feted In Hagerman

HAGERMAN — The Hagerman LDS ward seminary class held their annual breakfast honoring graduating students Friday morning at 7 a.m. at the Hagerman cultural hall.

Parents of the graduating students and eighth grade students interested in taking seminary next fall were special guests. The tables were centered with bouquets of spring flowers with the church's standard works gracing the head table.

Kenneth Barton, class president, was master of ceremony. Music was under the direction of Jennette Wood with Hanna Akers as accompanist. The invocation and blessing on the food was given by Ricky Bendt. Scripture was read by Judy Schenck and Miss Wood presented the devotional set to music. Guest speaker was Daryl Nelson, counselor in the bishopric. Mr. Nelson spoke on "Faith in Yourself." Mrs. Dee Christensen, seminary teacher, spoke briefly and presented a gift to the class. Rev. and Mrs. Ray Wood for having a perfect attendance this past year.

Barton introduced his officers: Hanna Akers and Gary Anderson, counselors; Kathy Larson, junior class representative; Karen Clark, sophomore class representative; Kay Wood, Freshman class representative; Karen Low, secretary; Jonette Wood, chorister, and Hanna Akers, historian. Barton then presented Mrs. Christensen with a gift from the class.

The breakfast was under the direction of Mrs. D. H. Gold. The food was assisted by members of the students. Tables were arranged and decorated by Mrs. Christensen, Kathy Larson and Patti Gold.

Seminary graduation will be held at 8 p.m. Saturday at the LDS Stake temple in Pocatello. Graduating students from Hagerman are Wallie Akers, Gary Anderson, Hanna Akers, Kenneth Barton, Lana Butler and Kathy Larson.

TWO TRUSTEE ZONES electing board members Tuesday will be Zone No. 1 and Zone No. 2. Zone 1 is shown as the small block triangle in the upper middle portion of the map. Zone 2 is on the left side of the map, separated from Zone 1 by Rock Creek.

## Light Turnout Expected In School Trustee Election

Voter turnout for the Tuesday election of two Twin Falls School District No. 411 trustees is expected to be light because both incumbent candidates are running unopposed.

John J. Wolfe has filed for reelection from Zone No. 1 and Frank DeLuca has filed for election in Zone No. 2. Mr. DeLuca recently was appointed to serve the remainder of the first year of a three-year term vacated by Reola Siverson. He will be seeking to serve the remainder of that term.

Mr. Wolfe has served one full three-year term and part of an appointive term.

Absentee balloting began Wednesday, but as of late Friday afternoon, no absentee ballots had been filed. Last day for filing absentee ballots is Monday.

Polling times are from 1 to 5 p.m. at Lincoln and Dickel schools.

Anyone paying tax on real property or who is the parent of a child under 21 years of age and is a resident of the twin fall zones electing this term, is qualified to vote.

Ballots for both zones can be cast at either polling place.

Other school lunch programs will close Friday as planned.

## Degree Given Richfield Mason

RICHFIELD—The second degree was conferred in a special ceremony at the Richfield Masonic lodge Wednesday evening.

Forrest Armstrong, master, was assisted by Eugene Cox, Clifford Conner, John Lemmon, Max Behr and Melvin Pope.

Claude Gordan, past grand master, Twin Falls, was a special guest. Other lodge visitors were from Bailey, Shoshone and Twin Falls.

## Churches Ask Contributions For Relief

The Magic Valley Council of Churches invites all churches and the general public to contribute to the clothing collection by Church World Service this month.

Useful clothing, blankets and soap are needed for shipment to victims of war and other needy people in many parts of the world.

When earthquakes, floods or cyclones devastate a country and leave thousands homeless, warm blankets can often provide temporary shelter. Church World Service stockpiles blankets at strategic points around the world, where they will be ready for emergency needs. Because these stocks are constantly being depleted, blankets are a high priority item for CWS clothing appeals. Twenty-five cents will send a contributed blanket overseas, and \$3 will enable CWS to purchase a new blanket for shipment.

All contributions are to be boxed, weighed and marked and taken to local churches by May 15, and then brought in the pickup point for Twin Falls area which will be the Bishop Roth Auditorium of the Episcopal Church, Blue Lakes Boulevard North, entering from the parking lot at the rear of the church. Contributions in cover cost of shipment at ten cents per pound should be by check payable to the Magic Valley Council of Churches. All contributions of clothing, blankets, soap and money are to be brought to the Episcopal Auditorium between 10 a.m. and 3 p.m. May 22. Church World Service truck will pick up everything contributed during the several days following this date.

## Trustees To Be Elected In District 262

EDENHAZELTON—Class A District School 262 will hold a trustee election for trustee Districts one and three from 1 p.m. to 7 p.m. Tuesday at Valley High School.

Two trustee's terms expire and are to be filled each for a period of three years.

In trustee district one, incumbent is Andrew D. Rogerson and serving in trustee district three is Harold Grant. Mr. Rogerson has declined to run for another term. A petition for Werner Krohn as candidate for trustee district has been filed with the school district clerk.

In trustee district three, Harold Grant has filed for reelection.

Those eligible to vote are qualified voters of the state of Idaho who are the parents or guardians of a child or children under 21 years of age, or who are property taxpayers in the district or husband or wife of a taxpayer and who reside in the trustee's district electing a trustee.

Zone two, including all of the townsite of Eden and everyone living within the boundaries of Eden should vote in zone two elections, and will not be allowed to vote in this election.

VICTIMS OF NATURAL DISASTER look to American churches for help for clothing and other necessities. The Magic Valley Council of Churches invites all churches and the general public to contribute to the clothing collection by Church World Service this month.

## Gets Scholarship

BURLEY—Steve Ashcraft, son of Mr. and Mrs. Donald O. Ashcraft and a Burley High School

senior, has received a scholarship to Harvey-Mudd, Claremont, Calif., where he will major in mathematics. Ashcraft, who is salutatorian, is one of 90 freshmen to be admitted this fall.

## Filer School Band, Chorus Set Program

FILER—Filer High School band and chorus will present a concert Tuesday at 8 p.m.

The chorus will sing "The Halls of Ivy," "All Ye Saints," "I Want To Be Ready," "Old Abraham," "A Morning in Spring" and "The Lord's Prayer."

The band will present "Toccata," "Western Scenarios," "Bandology," highlights from "The Kluge and I," and "Scherzo."

Both the band and chorus received superior ratings at the district concert. Awards will be presented during the concert.

Soloist will be Laura Vincent with a piano solo; Fay Lancaster will give a vocal, and a flute trio will be heard. The Happenings, a quartet, will sing.

Admission is \$2 per family, \$1 for adults and 75 cents for children.

## O'Leary Hot Lunch Setup Ends Monday

Lack of interest in the school lunch program at O'Leary Junior High School has necessitated closure of the program effective Monday, according to Mrs. Berntha Glick, lunch supervisor.

"Members of the School District No. 411 board of trustees decided on the action," she said, "after an examination of the week's lunch receipts from O'Leary had shown the financial impossibility of continuing the program."

Superintendent Ernest H. Ragnland said that only about 200 of the school's 1,000 students were eating in the O'Leary cafeteria. He said other schools in the district were not experiencing such severe problems as O'Leary and didn't know what the actual reason was for the drop off in that school.

Other school lunch programs will close Friday as planned.

TWIN FALLS, IDAHO, SUNDAY, MAY 14, 1967

WINNERS IN THE WOMEN'S division at the Elks Pinocchio Group playoff are, from left, Mrs. Roy Hill, first; Mrs. H. W. Zimmerman, third, and Mrs. Roger Lewis, second. The play-

off concluded the pinocchio season for the Elks unit but will resume again in September with the enthusiastic crowd ready for another playing period.

RECEIVING TOP honors in the men's division at the recent playoff include, from left, L. E. Plummer, first; Roy Hill, third, and Merwin B. Gill, second. A chicken dinner with all the trimmings preceded the playoff held at the Elks Lodge.

A full house was noted for the event, with many Elks members and their ladies, other than those participating in the playoff, playing at separate tables. Mr. and Mrs. Dean Shipley and Mr. and Mrs. H. W. Zimmerman hosted the event.

SERVING COFFEE to Mrs. Earl Johnson is H. W. Zimmerman at the chicken dinner held prior to the Elks Pinocchio Group playoff at the Elks Lodge. The group has been hosting pinocchio parties in Twin Falls since 1948.

## Playoff Ends Season For Elks Pinocchio Group

By NORMA HERZINGER  
Women's Page Editor

A chicken dinner with all the trimmings preceded the Elks Pinocchio playoff recently when top honors were won by Mrs. Roy Hill and L. E. Plummer.

Other winners for women include Mrs. Roger Lewis, second, with a score of 4,250, and Mrs. H. W. Zimmerman, third, with a 4,140. Winners in the men's division include M. B. Gill with a 4,500, second, and Mr. Hill, third with a 4,350. Mrs. Hill won the event with a 5,240 and Mr. Plummer with a 4,870.

A full house was noted for the event, with many Elks members and their ladies, other than those participating in the playoff, playing at separate tables. A more fun-loving group one will never find and when it comes to playing pinocchio, they certainly know their way around. "Most of these players declare that pinocchio is the 'only' card game and it is certainly known as a fascinating one."

When asking the rules and regulations of pinocchio as played by this group, one member was almost offended when I asked if they played ratchorse. "No, my dear," he replied, "we play with a four card dummy, which is really playing pinocchio." I gazed again when I asked them to show me a perfect pinocchio hand and made the comment that you can't shoot-the-moon with two jacks of diamonds in your hand. Again I got the comment, "we don't play shoot-the-moon."

These people were making it pretty difficult for me to understand how they could possibly get a very good hand, better yet a thousand aces are a double family. "This is the fun of the game," one gentleman commented. (Continued on Page 10)  
(All Times-News photos)

AMONG THOSE ATTENDING the Elks Pinocchio Group chicken dinner and playoff were Mr. and Mrs. Bob White. Excellent crowds turn out for these evenings of fun, in excess of 22 tables noted often.

GUESTS FROM throughout Magic Valley attended the Beta Sigma Phi Mother's Day Breakfast at Bryan's Cafe. Beta Sigma Phi Chapters all over the world honor Mother's Day. Event hosted by the Burley chapters was May 8, 1965.

## Mother's Day Is Observed

By GEORGIA LAYTON

BURLEY — Mother's Day is set apart every year in honor of motherhood with many organizations, families and churches paying special tribute to mothers.

Many people follow the custom of wearing a carnation on Mother's Day. Julia Ward Howe made the first known suggestion for a Mother's Day in the United States in 1872. She suggested that people observe a special day on June 2 as a day dedicated to peace.

In 1907 Anna Jarvis, Grafton, W. Va., began a campaign for a nationwide observance of Mother's Day. She chose the second Sunday in May and began the custom of wearing a carnation.

At the General Conference of the Methodist Episcopal Church in Minneapolis, Minn., in 1912, a delegate introduced a resolution recognizing Anna Jarvis as the founder of Mother's Day.

Mother's Day received national recognition on May 9, 1914. On that day, President Woodrow Wilson signed a joint resolution of Congress recommending that Congress and the executive departments of the government observe Mother's Day. The following year the President was authorized to proclaim Mother's Day as an annual national observance.

Beta Sigma Phi Chapters all over the world honor Mother's Day during the month of May, with 150,000 members in 6,000 chapters joining in honoring their mothers at luncheons or breakfasts.

The first Mother's Day event in Burley hosted by Beta Sigma Phi Chapter was May 9, 1953, which was a luncheon at the Burley Elks Lodge.

Several years ago a breakfast was held honoring Mother's Day by the society members, and it is still observed annually.

With the bright sunshine greeting mothers and daughters recently, members of Xi Omega and Alpha Zeta Chapters of Beta Sigma Phi, with their mothers or guests, gathered at Bryan's Cafe for the annual Beta Sigma Phi Mother's Day Breakfast.

The tables were covered with white cloths, with the head table centered with an arrangement of pink carnations, and through the center of the other tables were multicolored vases holding blue or green carnations.

Welcome was given by Mrs. Don Jaak, Alpha Zeta Chapter member, who read a poem on motherhood. The mother's response was given by Mrs. Alton Brown, mother of Mrs. Sherrill Warner, Xi Omega Chapter member, who expressed thanks to the daughters for honoring the mothers each year and commended the Beta Sigma Phi members for the community work which the chapters undertake yearly.

Sister, Mrs. Edith Dunn sang "Winter's Gift" and "That's the Way of Mine," accompanied by Mrs. Preston Stocks at the piano.  
(Continued on Page 10)

RECEIVING A BUD VASE holding a carnation from her daughter, Mrs. James Martin, Burley, is Mrs. Lillian Smith, at the recent breakfast in Burley. Xi Omega Chapter and Zeta Chapter, Beta Sigma Phi, hosted a breakfast in honor of Mother's Day, which is an annual event sponsored by the units.

GIVING THE WELCOME address at the Mother's Day Breakfast is Mrs. Don Jaak, Alpha Zeta Chapter member, who read a poem on motherhood. The mother's response was given by Mrs. Alton Brown, mother of Mrs. Sherrill Warner, Xi Omega Chapter member.

### Valdi Ellis, Hewlett Say Nuptial Vows

Valdi Ellis, daughter of Mr. and Mrs. Robert Ellis, Kimbely, was married to Ken Hewlett, son of Mrs. Ruby Vess, Twin Falls, and Lowell Hewlett, butler in rates April 12 at the LDS Chapel, Harrison Street. The chapel was decorated with baskets of blue chrysanthemums.

The bride wore a Bridal Origin gown of rayon organza. A pearled and scalloped Chantilly lace and oval neckline accented the gown yoke, with the redingote from revealing the A-line of the gown. The lace cape effect swept into a wattleau chapel skirt. The bride carried a large bouquet of blue pumpkins and white orchids.

Bridesmaids were Paulette Ellis, Karen Hewlett, Drama Smith and Bonnie Sanders. Flower girl was Lynn Smith, niece of the bride.

Best man was Tom Hewlett and ushers were Steve Taylor, Bobby Ellis and Alan Smith.

Milton E. Barrus was soloist and fifty Wright, organist.

A reception was held after the ceremony, with Mary Ellen Peterson registering the guests.

Gifts were dispensed by Paul O'Sonnet, Ernest Egbert, Linda Krebs, Cheryl Hardy, Becky Carter and Barbara Carter, and received by Sadon Egbert, Murtagh, and Gay Roberts, Grace Severson, Barbara Reynolds, Sue Childs, Virginia Pratt, Lilian Hatch, Shirley Minton and the Mutual Girls.

Guests attended from Utah, Pocatello, Grace, Murtagh and Butley.

The newlyweds reside at 1516 Filer Ave. E.

Pre-nuptial showers were hosted for the bride by Mrs. Shirley Minton, Twin Falls, and Bonnie Sanders, sister of the bride.

Gregg.

### Prayer Books Will Be Sent To Student

JEROME—The Woman's Society of Christian Service of the Jerome Methodist Church at a recent meeting decided to send Misses O. Brum, a ministerial student in the Philippines, a collection of inspirational prayer books compiled by Ralph S. Gushman.

Brum, a student at Everland Memorial College, San Mateo, California, Philippines, requested the books.

The society voted to provide the banquet for the Methodist High School seniors and their parents in he held Wednesday.

The WSSC will provide the meal for the Lilac Tea Saturday.

Mrs. Orville Beann gave a report on the annual conference of the WSSC held at the Cathedral of the Rockies, Boise.

Those attending from Jerome include Mrs. Beann, Mrs. Virgil Lickley and Mrs. Clyde Good.

In other action, a new slate of officers was elected. Mrs. Beann is president; Mrs. Fred Carlton, vice president; Mrs. Lulu White, recording secretary, and Mrs. Ira Foster, treasurer.

The pledge service was led by Mrs. Foster, assisted by Mrs. Wade Hsandy and Mrs. Pearl Overfield. Refreshments were served by members of Circle No. 2.

### Jay-C-Ettes To Assist With Measles Clinic

Volunteer nurses, Mrs. Don Andrews, Mrs. Don Waldrum and Mrs. Dick Waldrum, will assist with the measles vaccine clinic at Twin Falls, it was announced at the recent Jay-C-Ette membership meeting at the Depot Grill.

The clinic is set for 7 to 11 a.m. and 1 to 3 p.m. Other Jay-C-Ettes will register the children and distribute candy to those receiving the shots. Mrs. Ken Hoyt is chairman.

Mothers were honored at the recent meeting with Mrs. John White giving the invocation. Mrs. Bill Meeker was hostess for the month and made and presented corsages to the guests. She made the table decorations that carried out the theme of "May Flowers."

Mrs. Doreen Keith, speak-up chairman, read a poem, "Mother's Day." Mrs. Penny Cullen played the guitar and sang selections to honor the mothers.

Mrs. Don Egbert presented a program on hair styling, assisted by her mother who served as her model.

The new officers began their term in office at this meeting. It was announced that Mrs. K. Messersmith was elected as district No. 8 and No. 9 vice president at the state convention in April. Mrs. Meeker will serve as the state membership chairman.

Mrs. Darrel Wolfe and Mrs. Dennis Volmer presented membership pins to Mrs. Bob Foster and Mrs. Larry Utey during a candlelight ceremony.

A rummage sale will be held in June, with Mrs. Joe Hoshaw as chairman. All articles for the sale can be taken to the home of Mrs. Meeker.

Mrs. Larry Haldick is chairman for the Jay-C-Ettes to assist the Jaycees with the Junior Miss Pageant set for Nov. 25.

Mrs. Welle, local membership chairman, announced she will hold a "come-as-you-are" bus during the next week.

It was announced that Janet Galt will assist with the unit of the Jolly Dollys Baseball Club this year.

Jimmy Morgan thanked the group for voting her the friendliest Jay-C-Ette of the year.

Mrs. Jim Steele reported on the state convention. Next year the convention will be held in Lewiston. The Twin Falls unit won an award in the Christmas activities and won the "Open Your Hearts" award for members.

A Mother's Day address will be given for Magic Chapter No. 32, Order of Eastern Star, at 8 p.m. Monday at the Masonic Temple.

SHOSHONE—Baptist Women's Mission Society will meet at 8 p.m. Thursday at the home of Mrs. Catherine Diviliss.

SHOSHONE—Linden Chapter No. 42, Order of Eastern Star, will meet at 8 p.m. Tuesday at the Masonic Temple.

SHOSHONE—The social relations lesson for the LDS Relief Society will be held at 2 p.m. Tuesday at the church.

SHOSHONE—There will be no MIA next Wednesday evening at the LDS Church, due to high school graduation exercises that night. Classes will be resumed May 24 as usual.

### Book Reviewed

"The Great Gatsby" was reviewed by Mrs. Eldon Stokes at the Literary Art Guild meeting at the home of Mrs. E. J. Morgan.

The authors sketch was given by Mrs. Morgan and the guided tour was given by Mrs. Roy Babbel. Hostesses were Mrs. Melvin Anderson, Mrs. Martin O. Grandin and Mrs. Morgan.

Circle 4, a true white story, read and presented in the district of Utah, have submitted landscape, decorative and surface work. This is the highest rating since this type that nature has produced.

Circle 4 is superior in beauty, durability and best illustration, yet moderate in cost.

### Rose Luncheon Held By T.F. Music Club

The Twin Falls Music Club, an affiliate of the National Federation of Music Clubs, held its annual Rose Luncheon recently at the Blue Lakes Country Club. Mrs. Donald Young installed the new officers. They include Mrs. David Mead, president; Mrs. W. B. Arnes, vice president; Mrs. Roger Vincent, second vice president; Mrs. William Vaux, recording secretary; Mrs. Ivan Squires, corresponding secretary; Mrs. Emmett Harrison, treasurer; Mrs. Max Guyer, historian; and Mrs. Robert Wilson, publicity.

The theme of the month was sung by Mrs. Helen Parker, Mrs. G. M. DeRose gave a report on the national convention held in New York City.

Musical selections were presented by Fredman Hansen, soloist, accompanied by Mrs. Mead, and Janice Prather, violinist, accompanied by Mrs. Larry Christopher. Both girls are recipients of music scholarships from the Twin Falls Music Club.

### Mrs. Hasselblad Is Honored At Spring Luncheon

Mrs. Ernest (Williamine) Hasselblad, wife of Rev. Mr. Hasselblad, was honored by the women of the First Baptist Church, Twin Falls, during a spring luncheon sponsored by the Women's Missionary Society at the YM-YWCA.

Mrs. Hasselblad are completing their ninth year of service to the First Baptist Church of Twin Falls and will be retiring this summer. Tributes to Mrs. Hasselblad were given by Mrs. Stan Owens, Mrs. Vern Routh and Lorna Holmes.

A melody of songs, written by the honoree and arranged by Mrs. Frank McMillin, was sung in her honor by Mrs. Snow, Mrs. Ben Gilbert and Mrs. McMillin. On behalf of the women of the church, a gift of jewelry was presented to Mrs. Hasselblad.

Decorations for the luncheon centered around the theme "Maytime" and featured small may baskets in varied spring colors. Maypoles festooned with garlands of flowers and miniature trees glow with spring blossoms. Heading the decoration committee was Mrs. Robert Smith.

Soloist was Mrs. Carl Snow. The acting talents of many young women were demonstrated as they took part in skits depicting the many roles of a woman from childhood through adulthood. Participating in the skits were Pam McMullin, Lila Gilbert, Julie Eden, Robin Snow, Tammy Owens, Karen Howell, Lori Hasselblad, Janet Hasselblad, Bobby Smith and Lois McVey. Mrs. Merilee Howell was in charge of the program.

Committee chairmen for the luncheon included Mrs. Lee Lancaster, tickets; Mrs. Howard Buerger, publicity; Mrs. McMullin and Mrs. Bob James, programs; and Mrs. Gay Hasselblad and Mrs. Glad Showell, co-chairmen.

### Poppy Day Set For May 27 By Area Auxiliary

WENDELL—Poppy Day has been set for May 27 by the American Legion Auxiliary Unit No. 41. Mrs. Norman Miranda is Poppy Day chairman.

Junior Auxiliary members and Girls' State delegates will assist with the sale and Mrs. Hilma Sandgrass and Mrs. Lena Strickland will help with street sales in the afternoon.

Rev. Jack Joensuu, president of Gooding County Mental Health Association, spoke to the group to explain the Bell Ringing March, and asked the unit to assist in the annual drive for funds for the National Association for Mental Health. The Bell Ringing March is set for 6:30 to 8 p.m. May 26. Appointed to the committee were Mrs. Miranda, Mrs. Sandgrass and Mrs. Gwen Collett.

Arrangements were made to serve doughnuts, punch and coffee at 9:30 a.m., Thursday for the Chamber of Commerce and guests.

Mrs. Nan Watson read an article, "A Purpose, a Plan and a Prayer," written by Mrs. Betty Douglas, chairman for Department of Foreign Affairs, urging helping hand for the Philippines.

The unit will vacation for the months of July and August. Donations were made to "Operation Helping Hand" to the Philippines, to the Junior Auxiliary and to the Glenn Jenkins Memorial.

The state of officers for 1967, 68 local for Mrs. Banton, were elected. Officers nominated and

elect include Mrs. Grant Zolinger, president; Mrs. Miranda, first vice president; Mrs. Joe Sprenger, second vice president; Mrs. Hanneke Baupron, secretary; Mrs. Sandgrass, treasurer; Mrs. John Jackson, chaplain; Mrs. Barton, historian; and Mrs. Collett, sergeant-at-arms.

A communication concerning the leadership training school to be held at the Boise American Legion Hall Monday and Tuesday was read. The school will begin at 9 a.m. each morning. (Boise John Regan Unit will host a coffee hour, those attending are requested to take a sack-lunch.)

During the social hour, the Twin Falls Star members were honored. Gifts were presented to Mrs. Barton, Mrs. Edna Black, Mrs. Grace Harwell and Mrs. Ruby J. Peterson. A gift will be sent to Mrs. Joyce Crawford who was absent.

Refreshments were served by Mrs. Barton, Mrs. Bevie Benson, Mrs. Irene Freeman, Mrs. Mabel Stangle and Mrs. Homer Stangle.

BY ABIGAIL VAN BUREN  
DEAR ABBY: Maybe this isn't any of my business, but I can't resist to see what is going on without trying to help. A certain woman in this town has always had it in her head that her daughter should marry a minister.

The daughter is now 44 and she still isn't married. When the mother hears of an unmarried minister anywhere in the area they make a trip and start running after him.

—One was a mere boy of 29, a widower of 55, used to bite from them.

The girl is nice enough but if her mother doesn't quit chasing ministers for her she will be an old maid forever. Is there any way I can help?

SORRY FOR THE GIRL  
DEAR SORRY: If the daughter, at 44, is still going along with her mother's fixation about marrying a minister, there is nothing you can do—except, maybe, to find her a minister.

DEAR ABBY: I am 13 and need your help. I want to get a pierce pierced, but my mother says I can't. I heard that you said you thought it was all right and that you had your ears pierced. Can you help me?

WANTS PIERCED EARS  
DEAR ABBY: Sorry, Honey, no help from this corner. With regard to pierced ears, I said I did not have my ears pierced as I didn't need two more holes in my head.

DEAR ABBY: My husband is away on a foreign job and this problem bothers me. We have no children, therefore my neighbors, friends and relatives insist on sending their children (kids from 5—who still wear the be-

haviors) to my house. I am 13 and need your help. I want to get a pierce pierced, but my mother says I can't. I heard that you said you thought it was all right and that you had your ears pierced. Can you help me?

## Playoff Ends Season For Pinocle Group

(Continued from Page 11)  
man told me "and I can be done". He went about to explain to me that in the many years he has participated in the Elks pinocle parties he has seen double families twice and hands with a thousand across twice.

The Elks Pinocle Group meets twice each month with all winners of the season playing in the playoff. Excellent crowds turn out for each of the 22 tables noted often. Dinners always precede the card parties and a good time is had by all. The group has been sponsoring pinocle parties in Twin Falls since 1936.

## Lady Lions At Buhl Install New Officers

BUHL.—Mrs. Harry Edinger was installed as president of the Buhl Lady Lions when they met recently at the home of Mrs. Ralph Smith.

Other officers installed were Mrs. George Farmer, vice president; Mrs. Bill Shriver, secretary; Mrs. Linell Miller, treasurer; and Mrs. Harry Edinger, board member.

Installation of new officers was conducted by the outgoing officers. They included Mrs. Jennings, president; Mrs. Smith, vice president; Mrs. John Thompson, secretary; Mrs. Farmer, McManaman and Mrs. Edinger, board members.

Mrs. Bruce Fuller, Mrs. Bobbie Johnston and Mrs. Jim Hopkins were welcomed as new members. Hostesses for the evening were the outgoing officers. The next meeting will be held May 17 at the home of Mrs. Millard Stahlman with Mrs. Louis Monahan as hostess.

## Rummage Sale Set For May 27

Plans were made to hold a rummage sale May 27 at 1235 Shoshone St. W., when the Amosia Club of the First Baptist Church met at the club for a regular meeting.

The program was given by Mrs. Inez Fletcher, Mrs. Emory Herrick and Mrs. Carl Benson, with the theme, "Mother's Day." The devotional service was given by Mrs. Paul Strain. Chaperones were Mrs. Oth Hall, Mrs. W. A. Mirada and Mrs. Faye Bailey.

## Miss Pfeifle, Ellis Wed In Home Ceremony

The home of Mr. and Mrs. Robert L. Ellis Sr., Kimberly, was the setting for the April 8 double ring ceremony uniting in marriage Paullette B. Pfeifle, daughter of Mrs. Soia Pfeifle, and the late Albert A. Pfeifle, Twin Falls, and Robert L. Ellis Jr., son of Mr. and Mrs. Robert L. Ellis Sr.

Rev. Ernest Hasselblad of the Twin Falls First Baptist Church officiated at the ceremony before a fireplace setting of pink and lavender gladioli and white candelabras. A lavender bow accented the ornamental stairway.

The bride, given in marriage by her brother, Darrell Pfeifle, Baker, Mont., wore a suit of white tulle and silk. Her veil was fashioned and designed by Mrs. Thelma Lee, Twin Falls. She carried a bouquet of lavender feathered carnations centered with a large purple orchid.

Mrs. Debby Fulmer, Boscawen, was maid of honor. Best man was Randall J. Gimes, Twin Falls, friend of the bridegroom, and usher was Allan Senius, Patocello, brother-in-law of the bridegroom.

Traditional wedding music was played by June Deht. The reception was held immediately after the ceremony. Greeting and registering parties Mrs. Susan Carlson, Twin Falls. Gifts were opened and displayed by Mrs. Valdi Hewitt, sister of the bridegroom.

The bride's table was covered with a white lace cloth and centered with a three-tiered cake. The cake was decorated with lavender roses and silver leaves. The bride and groom were seated at the head of the table.

and topped with white satin wedding bells. Completely surrounding the cake were lavender feathered carnations.

Cake and punch were served by Mrs. Bonnie Sanders, Grace; Mrs. L. Senius, Patocello; Mrs. Elaine Brown and Mrs. Shirley Milton, Twin Falls.

Out-of-town guests attended from Montana, Buhl, Grace, Boise, Patocello and Murphree. A pre-nuptial shower was hosted by the bride by Mrs. Milton and Mrs. Shirley Byington at the Milton home.

The couple resides at 738 10th St., Twin Falls, and the bridegroom is employed at State Electric Co. as an electrician.

## Club Sponsor Is Announced

HAZELTON.—It was decided to sponsor the Darling Daisy Club at the Happy Home-makers Club moving recently. Members met at the home of Mrs. Curtis Romans and refreshments were served by the hostess, Mrs. Sam Thornton told the group about electronic cooking and Mrs. Beatrice Schward gave a lesson on "The Crowd's View What's in the Freezer?" There was discussion of a new members and recipes given to the group by Mrs. Schward and Mrs. Romans.

It was decided to have the summer potluck picnic for members and their families at the Hazelton Park on July 10. A tank's shower was given by Mrs. Bill Brown, who will be moving to Patocello soon.

The next meeting is June 12 at the home of Mrs. Lawrence Schward. The program will consist of all members bringing their favorite dish of food and projects to be carried out during the summer were considered.

At the last meeting of the season, held at the home of Mrs. Harry Hubbard, fund raising projects to be carried out during the summer were considered.

## Mother's Day Is Observed By Sorority

(Continued from Page 11)  
Each Beta Sigma Phi member introduced herself and her mother, daughter or guest attending the breakfast.

The youngest daughter attended Mrs. John Sugg, 8, daughter of Mrs. William Sugg, Xi Omega Chapter member.

The next mother attending was Mrs. Rebecca Wilson, who would not disclose her exact age. She was Mrs. Ransom Brown's adopted mother for the day.

Mrs. Lillian Smith, Terrence, mother of Mrs. James Martin, Alpha Zeta Chapter member, traveled the farthest distance to attend the breakfast.

As the breakfast closed, each mother or guest was presented one of the milkglass bud vases holding a carnation.

## Guest Day Is Observed With Pie Social

FILER.—Guest Day at the Monitor Club meeting featured a pie social at the home of Mrs. Gerald Tewes. Mrs. James Sharp was co-hostess.

Mrs. W. R. Chase, program chairman, presented a reading and conducted games. Mrs. Tewes entertained with a selection of accordion numbers.

Guests introduced were Mrs. George Wilcox, Mrs. Joe Sharp, Mrs. Bonnie Sanders, Grace; Mrs. Pearl Allen and Mrs. Leon Wright, Mrs. Arth Conner won a special prize.

Mrs. Tewes, president, was in charge of the business session and appointed Mrs. Clyde Allen, and Mrs. Conner to the nominating committee. Contributions were approved for the Idaho Youth Ranch, the school for retarded children and the YWCA.

Mrs. William Cougherty and Mrs. W. A. Lookinbill are hostesses for the next meeting.

## Two Additional Lessons Given

HAILEY.—Two additional home decorating lessons, being given by Mrs. Mary Lou Ruby, University of Idaho home demonstration agent in cooperation with Blaine County, were started recently in Hailey and Ketchikan.

Mrs. Ruby stressed the importance of choosing a color scheme and sticking to it. "Don't use more than three different colors in one room," she stated.

## Guild Leaders Are Retained

SHOSHONE.—Present officers for the Episcopal Guild have been retained for the coming year, with Mrs. Frank Dallas as president; Mrs. Hal Ross, vice president; and Mrs. M. E. Lowery, secretary.

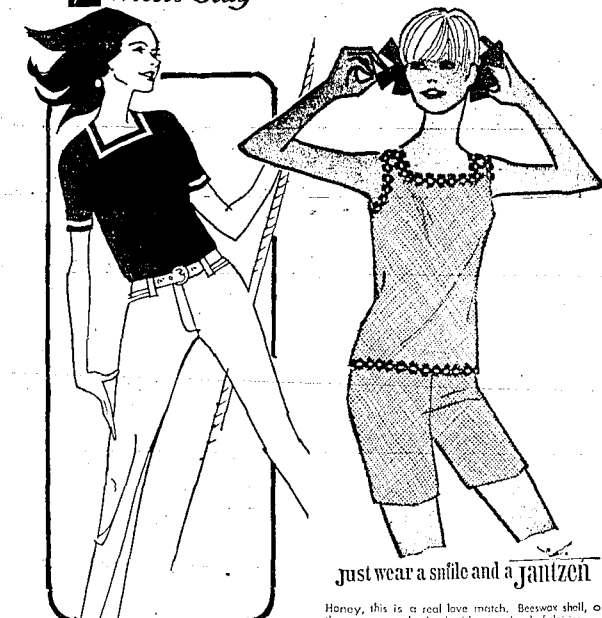

At the last meeting of the season, held at the home of Mrs. Harry Hubbard, fund raising projects to be carried out during the summer were considered.

# Nicklaus Battles Into First-Pace Tie In Golf Meet

By BEN THOMAS  
NEW ORLEANS, La. (AP) — Big Jack Nicklaus scrambled in with a three-putt on the 19th hole and tied George Knudson for the third round lead in the \$100,000 Greater New Orleans Open Golf Tournament. Nicklaus missed a five-foot

## Gold Defeats Blacks In Vandal Game

MOSCOW, Idaho (AP) — The Idaho Vandals' triumph over the Blacks in a 13-0 victory on Saturday was the first of the season for the Vandals, who defeated the Blacks 13-0 before 1,000 fans.

Jim Piersall of Oregon put the Vandals in the lead with a three-run homer in the first inning. Jim Wickliffe pitched to Jerry Hendon of Spokane to take the lead in the third inning. Hendon pitched a three-inning shutout for the Vandals. Hendon pitched a three-inning shutout for the Vandals. Hendon pitched a three-inning shutout for the Vandals.

It was a defensive battle for the rest of the first half with Hendon catching passes and the Blacks failing to get into the end zone. The Blacks failed to get into the end zone. The Blacks failed to get into the end zone.

The Gold put it away in the second period, however, with two touchdowns. Roy Young of Spokane went over for a 10-yard touchdown. Roy Young of Spokane went over for a 10-yard touchdown.

Defensive standouts named for the scrimmage were Jacobson, Roosevelt Owens and Joe Taylor.

Catch Steve Muscarel said he was pleased with the improvement in the Vandals' defense and said he thought many young players in the spring practice were being pushed for varsity assignments came fall.

## Detroit Uses Six-Run Ninth To Trim Sox

BOSTON (AP) — Bill Freehan's three-run homer off John Wynn powered a six-run ninth inning that sent the Detroit Tigers to their seventh straight victory, 1-0, over the Boston Red Sox on Saturday.

Wynn, who had pitched almost an entire game in relief of a starter, gave up the homer to Freehan. Wynn, who had pitched almost an entire game in relief of a starter, gave up the homer to Freehan.

Wynn started the inning by hitting Willie Horton with a pitch. Mickey Stanley ran for Horton and raced to third, as Jim Northrup doubled. Freehan then left his sixth homer into the right-center field bullpen, putting Detroit ahead 7-5.

One out later, Dick Truesdale doubled and scored home on a pinch-hit homer by pitcher Earl Wilson. Wynn got the second out but then hit Dick McAuliffe, who scored on Al Kaline's double.

The Red Sox tied a rally of their own in the bottom of the ninth, but Dave Workman ended the threat after Tony Conigliaro tripped around on Rico Petrocelli's double.

## Montana State Blanks Weber

OGDEN, Utah (AP) — John Winters of Montana State shut out Weber State College Saturday, giving the Broncos a 5-0 victory in the second game of a Big Sky Conference double-header.

Winters let only three Weber batters reach first — one on a base and two by error.

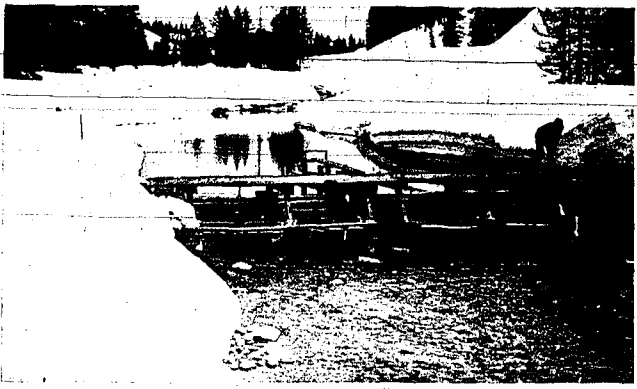

In the first game, WSC obliterated 10 hits and scored nine runs off Montana State's pitcher. It was Rickard's first loss after six successive wins.

Weber State won 9-0, with Dick Witten as winning pitcher.

ANADROMOUS FISH WEIR on Marsh Creek is the focal point for an Idaho Fish and Game Department study on steelhead and salmon migration and behavior patterns. Ball

## Weir Helps In Anadromous Fish Project

SALMON — Idaho Fish and Game Department personnel are studying the behavior of anadromous fish, such as steelhead and salmon, as they migrate from the ocean to fresh water. The study is being conducted at a fish weir on Marsh Creek in the Malheur National Wildlife Refuge.

A fish weir is a structure built across a stream to catch fish. The weir on Marsh Creek is 100 feet long and 10 feet high. It is made of concrete and has a series of traps at the end.

Scott, Blackfoot, department employee, inspects the barrier which was installed in July. It traps both up and down stream migrants.

The weir was built by the Idaho Fish and Game Department. It is used to study the migration of anadromous fish. The weir was built by the Idaho Fish and Game Department.

Reingold said the study program is to provide information on the behavior of anadromous fish. The study program is to provide information on the behavior of anadromous fish.

Reingold said it is hoped the study will provide information on the behavior of anadromous fish. The study will provide information on the behavior of anadromous fish.

Salmon and steelhead each year come to Marsh Creek to spawn, producing the young for another year.

# Romulus Hanover Wins Richest Harness Race

By TED MEIER  
WESTBURY, N.Y. (AP) — Romulus Hanover, who displaced the half-mile track pointed as a 1-10 shot in his previous outing, came back Saturday night and won the \$175,000 Messenger Stakes, harness racing's richest race.

Driven by Billy Haughton, Romulus Hanover circled the field on the far outside coming into the stretch of the one-mile race and first place of \$175,000. Nardin's Byrd held on for third place, beaten only a neck by Best of All and 2 1/2 lengths ahead of the fourth-place finisher, the 71-1 longshot, Curlew.

The time was 1:59 1/5, a track record for 1-year-olds, and a Messenger record. The previous record for 1-year-olds was 1:59 2/5, set by Best of All in 1955. The previous Messenger record was set by Adios Butler in 1952 at 2:00 1/5.

The Messenger is the first of harness racing's triple crown events.

Best of All, who won the 8-1 favorite compared to 9-5 in the Messenger, took the lead after the start.

The race was won by Romulus Hanover's entry-mate, Nardin's Byrd, driven by John Chapman.

Romulus Hanover was held in sixth place by Haughton when in the funeral procession.

Funeral Held For Race Driver  
MILAN, Italy (AP) — Lorenzo Bandini, Italian racing driver who died Saturday in a battle with cancer, was buried in the cemetery of the outskirts of Milan.

## Baltimore Hurler Misses Perfection By One Pitch

By MURRAY CHASS  
Associated Press Sports Writer  
NEW YORK (AP) — By one pitch, Baltimore hurler Jim Palmer missed perfection Saturday night in the second game of the World Series, as Jim Phillips, right-hander, came within one pitch of attaining a perfect game, allowing only Harmon Killebrew to reach base on a leadoff single in the seventh inning.

Palmer, who had pitched a perfect game in 1966, was 1-0 and had thrown 100 pitches. Palmer, who had pitched a perfect game in 1966, was 1-0 and had thrown 100 pitches.

Neher Set Regional B Halfmile Mark

Parma Storms Into Team Title, Wendell Second; Area Men Take 8 Firsts

Shoshone's Rick Neher broke the halfmile record and Denny Jacobson, Wendell, qualified for in three events but Parma stormed off to an easy team victory in the Class B southern regional track and field meet Saturday. The powerful third district champs hit hard in the open and relay races to pile up 54 points, 30 ahead of co-runnersup Wendell and Middleton. Neher got the only individual record when he turned the 880-yard run in 2:01.5, breaking the previous standard established in 1960 by Louis Olaso, Glens Ferry, by a second. Parma's 400-yard relay team got the other record, running that in 4:45, seven-tenths of a second under the mark Fouad set two years ago.

Parma took five first places and went one-two in the 220-yard dash in piling up its big winning margin for the first of the relay events and placed third in the halfmile baton event.

Wendell, sustaining a setback when its mile relay team was disqualified for running out of its lane, put two men in the winner's circle. Jacobson ripped through the quartermile in 50.5—lowering his best for the third straight week—and came back to take third in the 100 and 220-yard dashes—an eye-bash out of second in both cases.

Alfred took the other side of Coach Yogi Behrens' green when he twined the 133 feet. Oakley added a pair of champions. Doug Cranney scaled 5 feet, 10 inches in win the high jump. Bruce Aron burned chase Saturday for his best broadjump of the year, going 21 feet 4 1/2 inches. Oakley's 880-yard relay team took second place, Washburn starting it and Cranney winding it up.

In all the fourth district Class B men held their own in first places, scoring eight. But they managed only four seconds and four thirds.

Sophomore Tom Overlie, Hargerman, won in state in two events. He took the low hurdles in 20.7 and had to battle through the high hurdles in 2:10.7 to take the 100-yard relay team took second place, Washburn starting it and Cranney winding it up.

Slender Joe Cooper, Murtagh, took the eighth mile. Bruce Aron burned chase Saturday for his best broadjump of the year, going 21 feet 4 1/2 inches. Oakley's 880-yard relay team took second place, Washburn starting it and Cranney winding it up.

Only in the halfmile was the fourth district able to run on its own. The eighth mile. Bruce Aron burned chase Saturday for his best broadjump of the year, going 21 feet 4 1/2 inches. Oakley's 880-yard relay team took second place, Washburn starting it and Cranney winding it up.

Neher set a new record for the 880-yard run in 2:01.5, breaking the previous standard established in 1960 by Louis Olaso, Glens Ferry, by a second. Parma's 400-yard relay team got the other record, running that in 4:45, seven-tenths of a second under the mark Fouad set two years ago.

SOPHOMORE TOM OVERLIE, protecting his eyes all the way, holds a slight edge over Greenleaf's Cloud coming over the last low hurdle during Class B action at regional Saturday. Overlie won in 20.7. (Times-News photo)

THE TIMES-NEWS SPORTS

T.F. Wins Golf Title; Dodds Is Medalist

Junior Chud Dodds, who warmed up for the tournament by scoring a hole-in-one in his final practice round, carved out a two-under par 66 Saturday and led the underclassmen-laden Twin Falls district golf championship.

The four-man Twin Falls team was only 15 over par on the 68-par municipal course and its 287 total gave it a 26-stroke edge over the Jerome Tigers. The meet is the final test before state in Boise next Saturday but all teams are eligible to compete in the big one.

Run-arup Jerome was followed by Steve Brown, 16-year-old sophomore from Jerome, who won in his first year of competition for the University of Idaho, cleared 2 feet 9 1/2 inches to win the high jump at the 16th annual Knappton Invitational track and field meet Saturday.

Brown just missed a try at 7:2 seconds but came off with a 7:2 seconds time that was named the state's outstanding performer.

Eastern Washington completed 83 points to win the meet, which was second with 78, followed by Idaho 65, Whitworth 62, Lewis and Clark Normal 61, Northwest Nazarene 12 and Eastern Oregon 10.

Whitman's Bob Perry and Roger Meurer of Whitworth were double winners. Perry took the 100 and 220 dashes. Meurer won the 220-yard intermediate hurdle and tied with teammate John Lee in the 129-yard high hurdles.

Perry's times were 9.9 and 21.9; Meurer's 33.9 and 14.7. Assistant coach Ed Cavanaugh and George Porter pulled the blue squad which scored 15 lone touchdowns in the fourth quarter on a two-yard run by fullback Frank Nunn.

The game was the Aggies first official appearance under the mentorship of new head Coach Chuck Mills who watched from the sidelines.

TRY TIMES-NEWS WANT ADS FOR FAST-SELLING RESULTS. Assistant coach Ed Cavanaugh and George Porter pulled the blue squad which scored 15 lone touchdowns in the fourth quarter on a two-yard run by fullback Frank Nunn.

Petty Tops Rebel 400 For 55th Win

DARLINGTON, S. C. (AP) — Lumpy Richard Petty survived an early brush with disaster Saturday and went on to run away from the field and win the Rebel 400 stock car race. The 29-year-old Plymouth star led all but 25 laps of the 200-lap classic and in doing so set a record of 55 victories in NASCAR's Grand National racing division. Second by a full lap was David Pearson, who took over retired Fred Lorenzen's Ford a week ago.

Petty and Pearson shared the race in the front row, but Pearson was involved in an early collision that forced him down.

The average speed was 126.01 miles per hour, far off Petty's old mark for the race—111.50 last year.

Petty almost took himself out of the contest when he brushed the first turn guard rail on the 80th lap after the tough Hough Memorial International Race.

But the 214-pound, black-haired ace handled the race calmly, made a brief pit stop to repair damage and promptly regained the lead on lap 101, never to be overtaken.

Long Point, Miss., had been tied with his father, retired Lee Petty, as the snail's most prolific winner. The father, who watched his son win his second Rebel 400 in a row, the son's victory brought him about \$11,540 and set his season's money take to \$33,000.

Ken Berry, who likes to say at anything close to the plate, Berry reached second and scored the game's only run on a double by J. C. Martin, who probably figured he should get a suit of clothes since it was his first run-batted-in of the season.

Tommy Agee already has a suit of clothes for camping on in his bats full of timing everything and getting the ball on the run. "I just wanted to break free of the habit of saying every catch," said Agee.

Boise Romps To ICAC Track Crown

EPHRAIM, Utah (AP)—Boise College took eight firsts and piled up 92 points Saturday night with the Intercollegiate Athletic Conference track and field championship Saturday night at Snow College.

Ricks College was second with 83 points, followed by Mesa with 77, Utah State with 72, and Southern Utah with 65.

The Bronco 400 relay team took the course in 4:13, topping the previous conference record of 4:33. Gary Tyn of Boise scored the 400 in 1:18 to best the field.

Boise's Jim Gallery ran the 120 high hurdle in 1:43. The old mark was 1:45. Richard Dixon of Boise was clocked at 2:19 for the 400, beating the old record of 2:22.

ISU Is Second In Fresno Relays

FRESNO, Calif. (AP)—Idaho State University's sprint relay team won the 400-yard relay and came within three-tenths of a second of taking the 200-yard relay Friday night in the college division in the Fresno Relays.

ISU's team of Larry Lewis, the Gayfield, Jim Dunne and Brent DeWitt was clocked in 4:12 in defeating San Diego State in the 400 relay. Redlands College was the half-mile relay in 1:58.9.

The relay win helped ISU finish second in college division with 23 points, Nevada won with 31 1/2 points.

Idaho State also placed fifth in the distance medley and third in the mile relay.

Summary

Track relays—Parma 25, Wendell 22, Middleton 20, Hargerman 18, Glens Ferry 15, Shoshone 12, Idaho State 10, Eastern Oregon 8, Whitworth 6, Lewis and Clark Normal 4, Northwest Nazarene 2, Eastern Oregon 1.

High hurdles—Clark Normal 1:43, Whitworth 1:45, Northwest Nazarene 1:47, Eastern Oregon 1:49, Shoshone 1:51, Idaho State 1:53, Hargerman 1:55, Glens Ferry 1:57, Wendell 1:59, Parma 2:01.

400-yard relay—Boise 4:13, Ricks 4:18, Mesa 4:23, Utah State 4:28, Southern Utah 4:33, Hargerman 4:38, Glens Ferry 4:43, Wendell 4:48, Parma 4:53.

800-yard relay—Boise 8:28, Ricks 8:33, Mesa 8:38, Utah State 8:43, Southern Utah 8:48, Hargerman 8:53, Glens Ferry 8:58, Wendell 9:03, Parma 9:08.

1,600-yard relay—Boise 16:56, Ricks 17:01, Mesa 17:06, Utah State 17:11, Southern Utah 17:16, Hargerman 17:21, Glens Ferry 17:26, Wendell 17:31, Parma 17:36.

# Andretti Smashes Speed Record In Qualification For Memorial Day Race

INDIANAPOLIS, Ind. (AP) — Marvelous Mario Andretti led a five-man assault on Indianapolis Motor Speedway's sprint records Saturday and for the second straight year earned the pole position for the 500-mile race May 30, The Italian-born U. S. Auto Club champion averaged the 160-mile qualifying record at a fabulous 168.952 miles per hour after his year-old mark of 165.899 had been raised twice earlier in the day. He also established a new one-lap record of 1:17.779, a 100-off 170 m.p.h. lap against his old one of 1:16.328.

FROM ALL ANGLES

By LARRY HOVEY  
Times-News Sports Editor

The fishing season will be up on us—or more directly upon a lot of landowners and there's a new law on the books that could make things interesting.

The recent legislature has definitely now established that all land along streams—navigability has nothing to do with it—is owned by the state and under the supervision of the state land board.

The area has seen a lot of this. A prime example at least from a outdoor standpoint, came a couple of years ago on the river where a cleanup project under the auspices of the Army Engineers deteriorated about 20 percent of the stream with rearing hollers.

But that hardly holds a candle to the rearing big Wood river has received over the past few years and is receiving today.

There's hardly a stretch that isn't marked by bulldozer tracks. The answer to doing away with the junk from the middle out-taking all vegetation and marine life with it—has been the bulldozer. In the former matter gives the water a good crack right through what wildlife conservationists would like to see is the opposite.

By pushing the dirt for the dikes from the outside to the edge of the stream flood control would be secured and fish would prosper. But a landowner can hardly be blamed for wanting to enhance his own holdings by cutting meandering to a minimum and keeping productive soil right up to the stream edge before, although it was implied, there were no strict rules that said he couldn't. There now are.

Vern Ravenscroft, Hagerman, a member of the legislature, explained the new rule. He said the state land board has a definite mandate to take possession of these lands under all streams. He said that when Idaho was admitted to the Union these lands were given the state by the federal government. The only thing was no statute spelled them out clearly enough.

Because of that, Ravenscroft said, everyone was a bit apprehensive in running a tract case in court because if the public side lost, a precedent that would subsequently prove to be a bad one would be established.

Even now public-side interests would be well advised to have substantial documentary proof before going into court although the law states public ownership applies from high water mark—or that area in which water prevents vegetation.

Since navigability precedents now have been extended to cover any tiny streams supplying big ones, that word has little relevance in ownership battles anymore.

In this same light the Idaho Fish and Game Department currently is compiling a stream classification record which will rate streams according to their recreational and other values.

Although a definite step in the right direction, surveys of other states indicate it is too late for most of today's current population to expect full restoration. A case in a southern state notes that man quite triflingly with a stream 40 years ago. In the first-10 years, nature productivity. But in the last 30 years, further natural restoration has been negligible. At that rate, it would take around 40 years for nature to overcome a day's work by a bulldozer.

But returning to the original theme, it would be wise for anglers to try to trespass the right way (by asking permission) than loud-mouthing their way through a stream. If you do feel the need to flaunt your cloak of citizen's immunity, for good-natured sakes don't step above the high water mark. # Oregon Crops 14th Track, Field Crown

PULLMAN, Wash. (AP) — Oregon won its 14th straight Division I Track and Field Meet here Saturday in competition which saw five meet records set.

Meet performances brought several disappointments. Washington State's Gerry Lindgren failed to produce any records in the three mile and while Neil Steinhauser of Oregon broke his own mark in the shotput, he fell short of his own record in the discus.

The afternoon was marked by a 200-yard dash that only measured 218 yards.

Records came in the triple jump with Barrie Johnson going 32 feet, 5 1/2 inches. Washington best of Washington held the old mark of 31 feet 10 inches.

# Prentice Leads In Civitan Open

DALLAS, Tex. (AP) — Jon Prentice batted high winds for a three-and-a-half-day and took the lead in the 116-150 Dallas Civitan Women's Open Golf Tournament with 206 for 54 holes.

She was three strokes ahead of Beth Stone and Sandra Spuz.

Miss Prentice broke out of a tie for first with Judy Kimball, who had 138 for 36 holes, the same as the tall part from Pen Sarala. The Miss Kimball shot over par golf Saturday to fall back in the pack.

# Orioles Hit In Fourth To Trim Yankees

NEW YORK (AP) — Mo Brooks and Eddie Watt pitched eight innings of one-hit relief. Paul Blair's two-run single keyed a four-run burst in the third inning that carried the Baltimore Orioles to a 5-3 victory over the New York Yankees Saturday night.

Drabowsky held the Yankees hitless for 4-1/3 innings after replacing starter Dave McNally at the start of the second.

Wait came in with one out in the sixth after Drabowsky walked two batters and protected the two-run margin, retiring the Yankees in order until Joe Pospisil singled with one out in the ninth.

The Yankees jumped on McNally for three hits and all their runs in the opening inning, but Baltimore struck back in the third.

# FRIGIDAIRE WEEK

**THIS IS OUR BIGGEST ANNUAL  
FRIGIDAIRE SALES EVENT!!**

**TO THE PEOPLE OF MAGIC VALLEY:**

We are in our 21st year as Twin Falls' Frigidaire dealer. Today, because of our carload buying direct from the Frigidaire factory in Dayton, Ohio — because of our regular delivery and service schedule to every community in Magic Valley, because of our slogan "If we can't service it, We won't sell it"; and because of the values we have given on Frigidaire products through the years we have become one of the largest Frigidaire dealers in the Northwest (the largest in the Spokane district).

Because of this Frigidaire has set our FRIGIDAIRE WEEK quota higher than any year in the past. It is based on last years sales during Frigidaire week. We must report our sales each night by telegram to the Portland regional office of Frigidaire. They in turn report to the Home office in Dayton, Ohio. We have made our quota every year since Frigidaire week was started. Last year we were 2nd in the Portland region in our sales over quota.

If you plan on a new appliance for your home this year I urge you to come in during this important sales event. Select the Frigidaire model for you and be pleasantly surprised at the deal we will make you. Help yourself to big savings and help us make our Frigidaire week quota. We will be serving Pepsi-Cola and we will have a gift for you. Be our guest.

Sincerely,

*Elvis Cain*

# Sunday Feature SECTION

TWIN FALLS, IDAHO, SUNDAY, MAY 14, 1967

The headlines used on this page were taken from Times-News stories which have appeared since the inception of the College of Southern Idaho.

These headlines present in themselves a running history of the college and are indicative of its growth, success and the area's great need for this institution.

The first complete cycle of the College of Southern Idaho will end with graduation ceremonies for both academic and vocational students at 2 p.m. today at the Twin Falls High School gymnasium.

One hundred and thirty students will receive two year junior college diplomas in accounting, anthropology, auto body and fender repair, farm equipment repair, forestry and sociology-psychology — to name just a few of the courses.

Dr. William Seifert, Boise, executive secretary of the Idaho State Commission for Higher Education. Facilities, will be the main speaker for the ceremonies.

A reception for graduates, their parents and friends will be held in the school cafeteria following the ceremonies.

## Cycle Complete . . . First Class Graduated From Local College Today

### T.F. Has Collegiate Look - - - CSI Opens

April 2, 1966

The College of Southern Idaho was created by a two-thirds majority vote Nov. 3, 1964, in Twin Falls county. A two year college, it offers a program of general and vocational education. CSI is in the state-determined junior college area four including Blaine, Camas, Cassia, Gooding, Jerome, Lincoln, Minidoka, Twin Falls and portions of Elmore and Owyhee counties.

### 14 Nurses To Be In First Graduating Class Of College Of Southern Idaho

Feb. 26, 1966

The practical nursing course offered by the College of Southern Idaho takes one year to complete and has had one graduating class. Last year 11 students were graduated; this year there are again 14 in the class.

DR. JAMES L. TAYLOR, CSI president, adjusts the academic robes of Dr. Adele Thompson, dean of women, while Dr. Donald Kalish, dean of men, looks on.

THE OFFICERS of the College of Southern Idaho graduating class of practical nurses are ready for the big day. From left are, Joy Gist, Jerome, secretary; Edythe Frazier, Twin Falls, vice president; Vera Ellison, Twin Falls, president; and Shilene Alwood, Rupert, treasurer.

### Junior College Opens Doors In Twin Falls

### College Enrollment Continuing To Rise

April 2, 1966

The initial enrollment for the first year, 1965-1966, was 600 students with the number rising to 675 at the end of the second semester. At the end of this the second year of operation the college has an enrollment of 1,150.

With this tremendous acceptance of the educational facilities offered by the school and based on the present enrollment in the primary school the number is expected to grow to about 2,500 in ten years time.

FILLING AN ACUTE need for vocational training the college offers a wide variety of courses in such areas as Auto Body and Fender Repairing.

### CSI Trustees Pick Kimes Site For Campus

March 2, 1966

In February of 1966 three possible sites for the location of the College of Southern Idaho campus were designated. A 520-acre tract of land immediately north of Twin Falls including property owned by Alex Kimes and the Frontier Field, which is owned by the City of Twin Falls, was selected. The first construction of the college campus is scheduled to begin this summer.

CHECKING OUT gowns and caps for the College of Southern Idaho graduates today are students Carl Valero, left, and Renee Stewart and Cheryl Stewart.

## TIMES-NEWS

## Book Review

## THE WAGONMASTERS

By HENRY PICKERING WALKER  
It seems almost impossible that a little more than one hundred years ago, the first two wheeled wagons were used to carry freight to Wind River, Wyo., and in 1932 Captain Benjamin L. E. Bonville used twenty small wagons to carry supplies and equipment into the Western mountains.

He proved it both economical and safe, because the wagons could be used as protection against marauding bands of thieves and Indians.

The first wagons traveled the Santa Fe Trail and emigration provided a comparatively small part of the total traffic. There came the Overland Trail, which was the great pathway of the westward migration, the main road of the Overland stage and the route of a large amount of freight.

The first great movement over the Overland Trail was the migration of Oregon in the early 1840's. Next came the Mormon Trail which began in the late 1840's.

Most wagon trains were equipped at cities along the Missouri River where the business of supplying horses, oxen, mules, men and necessary equipment besides goods for shipment began to become a profitable undertaking. Wagons had to be built and merchandise shipped from the river steamers to wagons, thus giving employment and payrolls to the river towns.

In the late 1850's the mining excitement of Colorado and Montana were almost completely dependent on the states for food and drink. Clothing, hardware and mining machinery. Shipping costs were high of a tonnage and the state of a woman buying a paper of needles expressing concern for the price. The trader replied: "But, Ma'am, the freight."

The kingpin of the whole freight operation was the wagonmaster and quite a man he must have been. He had full responsibility of \$18,000 to \$30,000 worth of wagons, livestock and accessories belonging to some one else. He had responsibility for \$25,000 to \$50,000 worth of goods that did not belong to him.

He supervised the loading of the wagons. The load had to be distributed as to protect the main line and to be carried from tea and rice to mirrors and showcases.

He had to be able to shoot oxen and mules and to repair wagons with the simplest of tools.

He had to know how to get wagons out of bog holes, up steep sand hills and across rivers.

He had to know where water and grass were to be found for the noon halt and the night camp. He had to be a physician and veterinarian and to be a hunter.

Just as ten men who started as teamsters became wagonmasters and had learned their job hard way. And to all this was added the fact that in 1850 the wagonmaster was paid \$10.00 per month.

In 1860 gold was found in Montana and Idaho and freighting became big business all through the Western country. Much more money was willing to offer a ride to beardless, short-haired Americans.

As the former Bull men hitchhiked, they "flew" the small American party in Europe. It helped considerably in getting rides.

After an excursion in Greece, Turkey where they traveled in dolmies. These are an older American car which the Turks fix up and use as a sort of taxi, Mr.

the wagonmaster and his wagons it would have taken much longer to begin to settle the West.

EXAMINING SOME OF their many souvenirs from their round-the-world trip this past year are Jan Bordewick, left, and Marie Mackie, both Silverdale bachelors who now reside in San Diego where Mr. Bordewick is a stock broker and Mr. Mackie is a veterinarian. They grew up in Bull,

**Life in MAGIC VALLEY**  
It's cheaper to travel around the world than one would suppose, to claim two ex-Bull men, both bachelors, who are veterans of some 50,000 miles and 45-one countries. Jan Bordewick, San Diego, son of Mr. and Mrs. Ralph Bordewick, says he and Marie Mackie, son of Mr. and Mrs. Ward Mackie, all Bull, made their worldwide trip on an average of \$7.55 per day in addition to the round-the-world airline ticket which cost about \$1,500. This is approximately half of the cost if they had purchased regular tickets between the various destinations, Mr. Bordewick explained. He is a nephew of Emil Bordewick, also Bull, former co-owner of the Times-News Publishing Co.

The two travelers, both 30 years old, hitchhiked through Europe rode camels through Egypt, used trains in India and chauffeured through the Philippines Islands.

Mr. Bordewick, who was graduated from the Bull High School in 1934, is a broker in San Diego, and his friend, a veterinarian, was graduated in 1935.

At six weeks of this-and-an application, Mr. Bordewick left San Diego July 27, 1965, and spent a month traveling through England, Ireland and Scandinavia, countries before meeting Mr. Mackie in Copenhagen.

The veterinarian had to leave Germany where they stopped in Munich for the theatrical "Omni-Best," considered by some as the "biggest party in Europe," Mr. Bordewick said.

Going on the theory that they wanted to see the countries, not just pass through them, the men rented motor scooters in Switzerland and traveled through France and Spain, where they were fortunate to ride with a "biggest party in Europe."

"We knew considerable about four riders," Mr. Bordewick recalls. The men kept a clean-cut floor in Europe, finding people who were more willing to offer a ride to beardless, short-haired Americans.

Massive bells similar to the one Shelter House are rung 109 times to atone for the sins of humanity, Mr. Bordewick explained.

After tours through Pakistan, India and Thailand, the men flew to Hong Kong where they spent Christmas with a businessman they had met in Spain. They flew to Japan for New Years and watched Buddhist priests celebrate the traditional bell-ringing ceremony.

After Japan, they went to the Philippines Islands where they were house guests of the governor.

graduating from high school there in 1953 and 1954. Their parents are Mr. and Mrs. Ralph Bordewick and Mr. and Mrs. Ward Mackie. Mr. Bordewick has compiled more than 1,000 colored slides of his trip which he expects to show to service clubs, etc., in the San Diego area.

The duo's next stop was in Australia where they came down a notch and began hitchhiking again.

"Australia is a fantastic country and much of it reminds one of the American West about 50 years ago," Mr. Bordewick declared.

Their last excursions were in New Zealand and the South Pacific before the final flight which brought them back to Los Angeles. Mr. Bordewick was in 41 countries while his companion counted 39.

Diana Russell, daughter of Mr. and Mrs. Tommy Russell, HAGEN, a member of the MURTAUGH HOPS teenage TOPS club, was crowned princess of the state teenage TOPS at the Recognition Day held in Rexburg.

She wore her crown and a purple cape as she received a trophy and certificate for having lost a total of 34 and three pounds.

Diana has the encouragement of her parent and her brother and two sisters and she continues toward her goal to lose an additional 30 pounds.

She would like to encourage other girls in the area who have a weight problem to join the TOPS (Take Off Pounds Sensibly) Club. Competition makes

the dieting easier to take, according to Diana.

Treasure chest gifts go to the best loser for the week and they must continue to show a loss for three consecutive weeks on maintain weight one week and lose two weeks before the gift may be opened. Otherwise the gift is forfeited.

If a member gains weight she is supposed to wear a small felt replica of a pig.

Contests add interest and special prizes for the best loser over a specified period provide an added incentive.

Diana, president of the local club, is 16 years old and a sophomore at Blanton High School. Diana's mother is a member of the Pounds Chasers TOPS Club and says that temptation is the greatest when cooking for other members of the family.

The HOPS teenage TOPS Club meets on Tuesday after school at the Murtough LDS Church and new members are always welcome.

## AS YOUR MINISTER SEES IT

## Mother's Day

By PASTOR L. L. LAMANCE,  
First Assembly of God,  
Twin Falls, Idaho

"It seems to me to be fitting that a few observances are appropriate in regard to the American home and families. Particularly is this so, in view of the approaching events of high school graduation and the observance of Mother's Day, which has become traditional in American life."

Mother's Day observance brings into focus three factors that make for the building of good, solid Christian homes. The influence of parents, and especially the mother, cannot be emphasized too much. This is particularly true of Christian mothers.

In our day the home and family must be exposed to forces that would tear the home apart, and must be defended against the forces of the New Testament, apostles, will develop strong principles people. While

It is a well known fact that adherence to the teachings of the New Testament, apostles, will develop strong principles people. While

**Zoning Law Is Passed In Jerome**

**JEROME** — Jerome County commissioners have accepted the proposed county zoning ordinance in accordance with action of the state legislature.

The ordinance applies to all areas of the county not included in town and village limits, communities.

It is a well known fact that adherence to the teachings of the New Testament, apostles, will develop strong principles people. While

**DAUGHTER BORN**  
**HEYBURN** — Word has been received of the birth of a daughter to S. L. and Mrs. Robert Jackson, New York, N.Y.

Paternal grandparents are Mr. and Mrs. Henry Lindh, Paul, 2936.

this is true, it is equally true of life, will only be able to give the full meaning of these words to their generation. The moral and spiritual values that have been given to them. If they do not have them, then the blame can not be laid to the "root of the tree" — the home and its teachings.

This minister would give a call to our day, for a return to the simple, basic adherence to the Christian way of life. He taught that all men need to be "born from above" and then to meet their light-shed in their society.

Our society is referred to as the "Great Society," but while it may be an affluent society, it will only be great if it truly great. If it returns and adheres in practice to the Christian principles. This becomes a personal matter, and the question then is this: "Where do you fit into the picture?"

**PTA Officers Installed At Bliss Meet**

**BLISS** — High school assembly and installation of PTA officers were held at the Bliss PTA meeting Wednesday evening, presided by a desert social.

Mrs. Alvin Hill, past president, installed the incoming officers. Mrs. Hill, president; Mrs. Holmes, president; Mrs. Norman Sandall, vice president; Mrs. Verna Schroder, secretary; and Mrs. Gene Morris, treasurer.

The flag salute was presented by the old scout troop and James Meacham gave the invocation. Mrs. Robert Garon, music director, accompanied the eighth grade girls chorus. Mary Henderson and Judy Eschmann played a piano duet.

Marvin Ruse, superintendent, presented the annual award to Jennette Wood, high school senior, for best essay.

A farewell gift was presented to Mr. Ruse by the student body president, Stanley Belcher. Mr. Ruse will be leaving Bliss at the conclusion of this school year.

Other officers include Ray T. rich, senior vice commander; Ray Burton, junior vice commander; Win Overstreet, var-gan; Ray Card, chaplain; Ray Timmons, quartermaster; and Lloyd Mason, judge advocate.

The men will be installed at ceremonies later this month. Post members have set an auction for May 25 at the VFW Armory, with proceeds to be used for the expenses of the state convention to be held in Rupert in June.

Anyone wishing to donate articles for the auction is asked to contact Mr. Powers at 675-2936.

# The Money Box

BY FRANK SCHELL

First letter this week from Mr. J. L. S. Burley: "Dear Sir: Would like to know what this coin is and how much it is worth," and he included a pencil tracing of the coin.

Answer: Your coin is a 5-Ore piece of Sweden, issued under the reign of Gustaf V (1907-1950). The coin was issued in bronze and is worth, collector value, about 15 cents, if brand new.

From Mrs. A. H. M. Caldwell: "I have two Canadian pennies, the old, large one, about the size of a U.S. quarter, minted in 1902 and 1911. Are they of any value except as keepsakes? They are in good condition."

Answer: The large size Canadian pennies (cents) of Victoria carry quite a lot of value. Yours, however, are the coins of Edward the VII and George V. The 1902 coin is not

hard to come by, and is worth 10 cents from 50 cents up to \$1, depending upon condition. The 1911 coin runs about the same value, but there is a little less interest in it. The 1911 coin is called the "Graceland" or "Godsland" coin because in that year the words "Dei Gratia" were omitted from the legend. Before and after this year, Dei Gratia (the Grace of God) were standard coinage. It does not seem to be able to find out why it was omitted that year. In any event, it makes the coin interesting, although the mintage was over four million, so it is not a scarce coin.

From Mr. J. C. H. Rupert: "Your description of the five cent coin (Times-News, April 20, 1967) got me all agog and I was quite sure I would find one just like it, and did. Mine is dated 1858 which has been circulated but is in A-1 condition."

I am thinking it should be quite valuable because they were minted over two years ago, making them quite scarce. Should you get information on the list price of above coin, kindly let me know.

Answer: The large size Canadian pennies (cents) of Victoria carry quite a lot of value. Yours, however, are the coins of Edward the VII and George V. The 1902 coin is not

## Take Five ... Stroll Along Sunny Beach

How about a stroll along the ocean at Long Beach, California?

First, wiggle your toes in that warm sand. Smell the tangy sea air. Listen to the lapping of waves against the beach and the bubbling of children racing from their wet gear.

The musing was rather brisk. You needed that colorful new beach jacket at first, but now, it's nearly overcast. And listen to the lapping of waves against the beach and the bubbling of children racing from their wet gear.

Being a weekday morning, the beach is not terribly crowded. A good place to help make the beach comber, who is joyously inspecting his latest find — a small piece of driftwood, covered with barnacles and other sea taken.

A young mother and her two small children are sunning themselves near the water's edge. The mother appears quite interested in the enormous sand castle the tots have constructed, complete with colorful seashells and a generous moat filled with seaweed.

A bit further along the beach, you decide to end your walk, the ideal spot to while away the afternoon. You spread your blanket, get some sun lotion and bring out your lunch. It's perfect.

Across the clear blue ocean, you can see fabled Catalina island, a mecca for the weekend "rag men" who've taken their suitcases out of the Long Beach Marina for a relaxing afternoon of cruising in the Pacific. The white sails add a serenity that puts you thousands of years from the problems of worldly routine.

## Lunch Supervisor Named At Valley

HAZELTON, EDEN — Mrs. Clyde Kaserman has been hired by the school board as lunch supervisor to fill the vacancy caused by the resignation of Mrs. Don Andrews, who is employed by the Henry Jones Live stock Co., Eden.

Mrs. Kaserman has worked several years with the lunch program on committees, cook and manager.

The board members were presented a rough diagram of the proposed music room. Funds are available for the music room, saved from the plant facilities money. No additional funds are needed for the room, reports Dr. Tom Utterback, District Superintendent.

MAGIC VALLEY ASPHALT PAVING, INC.

EASTLAND, DR. 733-1929

# Look! It's "Springtime In The Mountains"...

With temperatures climbing toward the 80s here in the "low country" it is hard to believe that four and six foot drifts of snow still exist high up at the headwaters of the middle fork of the Salmon River.

When this picture was taken this last week, snow was still piled high — nearly to the eaves of the cabins at the Boy Scout Camp Bradley, west of Stanley in the Marsh Creek area.

According to Mike Mazzone, executive director of the Snake River Council of Boy Scouts, Scout officials usually make a tour of inspection to the camp on Memorial Day to check for winter damage. Work parties go into the camp the following week to clean and fix up for the summer's camping program.

Mr. Mazzone says that they often fight a snow drift or two when they make their annual spring trip into the camp, but as far as he can remember there has never been this amount of snow up there at this time of year.

Unless there is an unusually fast thaw, it looks as if the inspection tour this year might have to wait for a while.

Reservations for the camp are full and the Snake River Council placed second in the nation in the percentage of members signed up to participate in the camping activities.

But that's Idaho. We have lovely fall weather, but natives know you can't count on summer until the middle of June and even then you can't be too sure.

## Magic Valley Residents Get Benefits

A total of \$10.5 million in social security benefits was paid to Magic Valley residents in 1966, and \$8,550,000 to residents in Idaho, according to Rudolph E. McLaughlin, Twin Falls social security district manager, Twin Falls.

At the end of 1966, 5,726 men, women and children in Twin Falls County were receiving benefits at a monthly rate of \$406,161. Of that number, 4,676 were older people, Mr. McLaughlin explained. They received benefits as retired workers and as the widows or aged dependent parents of workers who have died.

The 1967 and 1968 were struck only in "proof" and are estimated to be about the same. The 1967 and 1968 were struck only in "proof" and are estimated to be about the same. The 1967 and 1968 were struck only in "proof" and are estimated to be about the same.

Your coin, dated 1856, was minted in excess of two million and a half copies. The very finest specimens of this year would bring around 10 to 12 dollars in the open market, the coin sells for about \$2.75.

We are most sorry if you gained the impression that this was a "rare" coin. We will most certainly look forward to hearing from you again.

From Mrs. F. H. Rupert: I noted in Sunday's paper you asked for coins from 1856 to 1911. I have a KEEFER coin for \$1 in merchandise, at Keefe's Department Store, Burley. The store has been out of business about 30 years. Is this coin of any value?

I also have other coins listed and wonder about those, too. They are 1848, U. S. nickel, 1853, Dimes, Reeb, two pennies, 1913 Confederation Helvetia, 3 and 18-9 (I think it is a 6) Africa, Canada one cent.

Answer: Thank you for writing. The trade taken you mention is new to me. Value of these trade tokens is hard to establish, since they actually have no intrinsic value anymore.

For these larger denominations, the average price (if there is any) falls between five cents and 50 cents, depending on scarcity and condition.

The 1848 nickel you list has no value other than face. The 1856 German 2 pfennig is worth collector value, about 10 cents. The "Confederation Helvetia" is from Switzerland, and worth about a dime. The Canadian cent would have to be 1858 or 1859—there were none struck in 1863. The 1858 is scarce—the 1858 quite easy to come by.

(Questions on coins and currency should be sent to The Money Box, c/o The Times-News, Twin Falls, Idaho, 83301.

## Business, Art Become Compatible, Idaho Commission Gains Popularity

BOISE — A business community for that purpose, but to help, of commerce are showing their interest.

Several chambers of commerce have established or are in the process of establishing committees on the arts, on culture, or on the humanities. Some, such as the Greater Boise Chamber of Commerce, have the establishment of cultural centers high on their list of goals.

Business may think art is a hindrance to their thinking since the 1930's. Artists say that "the business community" is not nearly as "artistic" as it once was.

But for whatever reason, art and business are getting along very well, thank you, in 1967.

Business was heavily represented at the first Governor's Conference on the Arts and Humanities in Boise in November, and all over the state, chambers of commerce are showing their interest.

Several chambers of commerce have established or are in the process of establishing committees on the arts, on culture, or on the humanities. Some, such as the Greater Boise Chamber of Commerce, have the establishment of cultural centers high on their list of goals.

## Tour A Cave, Development Makes It Easy

Some vacationers still don't know a cave from a hole in the ground.

A developed cave, says Bob Hudson, president of the National Caves Association, can represent as easily an investment in a 10-unit luxury resort.

"Stagnant and stultified aren't the expensive part," he explains, "it's the money spent on making a vacationer's tour a wholly different experience."

That means skillful lighting techniques to reveal the majesty of natural formations, walkways and bridges for convenience, flood control projects to make available portions of a cave which might often be submerged.

Vertical underground rivers and, in some cases, even vehicles like elevators and trains.

Not many years ago, only the most adventurous person ever witnessed such spectacular wonders as America's caves offer. He was the fellow in the hard hat, equipped with a climbing rope, a lantern and a daring disregard for personal safety.

But today, the very same subterranean scenery is available to every man, woman and child who would join a tour party in any of dozens of fully developed caves which lie beneath half the continental United States.

A free map of cave locations is available by writing the National Caves Association's headquarters, Stanton, Mo. 63302.

GRANDSON HONORED GOODING — Ronnie Johnson, son of Mr. and Mrs. Orin Johnson, of Sacramento, Calif., and grandson of Mrs. Verdie Johnson and Mrs. Evelyn Maxwell, was selected as soldier of the month for March.

THIS IS A "Metal Match." It is a new product that can be safely carried in the pocket and is not affected by water. The item will be marketed at sporting goods counters soon.

## New "Metal Match" Better Than Two Stick Method

A young organization, Ute Mountain Corp. of Grand Junction, Colo., developer for research and development of survival equipment for the outdoorsman, has released details on an unusual fire-producing product to be marketed as the "Metal Match."

The "Metal Match" appears to be no more than a 2 1/2 x 1/4 inch steel shaft suspended on a key chain. However, by using any sharp object (rock, broken glass, knife, etc.) a person can

## Glenns Ferry Honor Pupils Are Reported

GLENN'S FERRY—Honor Roll students are reported for the Glenn's Ferry High School. Those with straight A's are Mary Hanks, Susan Shrum, Steve Wilcox, Diana Keck, Janet Maas, Doug Shink, Lora Anderson, Lorne Benson, Ernest Hamilton, Tom Benson, Jill Tripp, Chris Williams, Virginia Maas.

Junior High honor students include Reilly Messerly, Bob Shrum, Barbara Wertz, Toni Leck, Debra King, Vicki McKeeth, Mary Mitchell, Jackie Richards, Paul Shrum.

Output Slips

WASHINGTON (AP)—Industrial output slipped slightly during April, carrying the sluggishness in production into the second quarter of the year.

The Federal Reserve Board said Friday its index of industrial production dropped to 155.9 per cent of the 1957-59 base period, down a half of one point from March. This was the lowest output in 11 months.

## Sunday Driver Is Not As Dangerous As Saturday's

The Sunday driver has long been the target of blame for the large number of traffic accidents, but a survey by The Travelers Insurance Companies, the Saturday shopper may be more of a menace.

More fatal accidents occur on Saturdays (21.6 per cent) than on any other day. Sunday takes "second honors" (19.3 per cent).

A Travelers spokesman said drivers should pay attention to road conditions, not store windows. "A moment's distraction can cause a lifetime of agony," he added.

More than 52,500 deaths and 4,000,000 injuries were caused by highway accidents last year. Of these, more than 11,000 deaths and 800,000 injuries occurred on Saturdays. Tuesdays recorded the lowest number of deaths and injuries.

Passenger cars were involved in nearly 80 per cent of all fatal accidents, and almost 90 per cent of all non-fatal accidents. Commercial vehicles, driven many more miles per year than passenger cars, were involved proportionately in less than half as many fatal accidents as non-fatal accidents.

Motorcycles, which constitute less than two per cent of all registered vehicles, were involved in more than two per cent of all highway fatalities last year.

Alcohol has been found to be a contributing factor in more than half of the fatal traffic accidents, according to independent surveys.

The alcohol connection was established through post-mortem studies of persons killed in accidents. The studies have been conducted in a number of states, and the results agree remarkably well.

The Travelers report also showed that in 1966 more than 250,000 pedestrians became casualties — 40 per cent of the total deaths occurred on weekends — four out of five persons

## Sawtooth Conservation Council To Elect Aides

KETCHUM — Officers for a new organization to be known as "Sawtooth Conservation Council" will be elected at a meeting planned for next week.

The organization will be made up of persons interested in preserving the natural resources and beauty of this portion of the country. Don Bennett and R. C. Bartholomew are spearheading forming of the council.

More than 100 persons attended a pre-organization meeting held Saturday evening in the grade school auditorium. A colored film "Wilderness Area of the Snake" taken in the North Cascade section of Washington was shown.

Officials of the Sawtooth National Forest, the Idaho Fish and Game Department and the Trustees of the Moon National Monument were introduced. A master of ceremonies Ray Peterson, and each gave brief talks.

Max Rees, Sawtooth Forest supervisor, administered members of the new organization will become well informed in all fields of conservation of the land we have inherited and which we must protect for our posterity.

He named the pure air and water, timber, grazing, hunting and fishing, roads, and preservation of the Wilderness Area.

Mr. Rees said the pure, fresh air and mountain streams, and lakes are God-given and have been taken for granted by all of us. The time has now come when we must protect them if we want to continue to enjoy them, he said.

In speaking of timber he said some 20,000 board feet is harvested annually within the Sawtooth National Forest. It is cut by a "marking system" which will insure the growth of other trees and keep intact a stand for future generations.

He said grazing is another important feature of the forests. Stockmen, he said, are working closely with the Forest Service to prevent any overgrazing, and good progress is being made.

Presently there are 50,000 head of sheep and 20,000 head of cattle that graze in Sawtooth Forest lands during the summer.

"America's greatest hunting and fishing grounds lie within the boundaries of the National Forests," he said, "and it is the responsibility of the Forest Service to see that the habitat is kept intact."

He said better roads are needed within the forests to accommodate the ever increasing number of visitors. Last year, he said, more than a million people visited within the boundaries of the forests.

## Meyer To Direct Laymen's League

FILER — Edgar Meyer is the newly elected president of the Clover Lutheran Laymen's League.

Walter Mueller has been named vice president; Elmer Fischer, secretary; Martin Klep, treasurer; and Melvin Hagels and Erica Wegener, members-at-large.

Lyle Lierman was accepted as a new member at the group's last meeting. Plans were made for a meeting this month at which time the group will take the traveling pavel to the Good Shepherd Club, Boise.

## SMART LEAD,

NOT CHASTITY. Morris and Helen Portugal of Los Angeles are both great players in their own right. They don't play together often but when they do they are one of the strongest mixed pairs in the world.

In today's hand they demolish the ace of clubs and hope to catch Helen with the king. He gave that plan up, also. This would set up three club tricks in dummy.

Finally he came up with the winning defense. He led his five of clubs.

The deuce was played from dummy and it became Helen's turn to study the hand. It looked like suicide to play her king. Whoever underled an ace through a dummy that held five of a suit to the queen-jack? Who ever led any card in a suit when dummy held five to the queen-jack?

Helen knew that her husband was not accustomed to making bad plays at any time. Then why did he lead a club? He wanted to get her on lead. Why? So she could lead a spade through declarer!

Helen put up her king of clubs. It held and she led the spade. Down one!

If you don't think it was good defense, we can tell you that the game was duplicate and no one else but the hand.

## CARD SENSE

Q—The bidding has been:

West	North	East	South
1♥	1♠	2♦	3♠
Pass	2♥	Pass	3♥
Pass	4♥	Pass	4♥

What do you do?

A—Pass. Your partner has a good hand but it is evident that he does not hold an ace.

TODAY'S QUESTION

You hold the same hand. East opens one diamond. What do you do?

Answer next issue

NORTH 13	
♥754	♦8882
♥10965	♥10972
♣QJ862	♠K97
EAST	
♠K73	♥8882
♥Q83	♦10972
♣A5	♠K97
SOUTH (D)	
♠KQ10	♥KJ42
♥KQ	♦1043
♣Q	♠K97

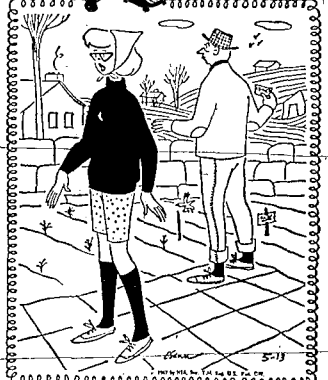

Both vulnerable  
West North South East  
Pass 2♥ Pass 4♥  
Pass Pass Pass 4♥  
Opening lead—♠

laborate on a brilliant defense that managed to defeat an almost iron-clad contract. The play started normally enough with the lead of the jack of diamonds. South won with dummy's ace and cashed his ace and king of trumps. Then he discarded a spade on his king of diamonds and threw Morris, who sat West, on lead with the queen of trumps.

His first thought was to lead a spade. Had he done so South would have escaped without loss of a spade trick.

His second thought was to

Trize

"Corn, beans, tomatoes, radishes! Father, why don't you ever plant orchids?"

# Paint with the Best from Tempo!

**ONE COAT COVERS!**  
**We Guarantee It!**

Gambles Superlahide One-Coat House Paints are guaranteed to cover any color complete in one coat up to 450 sq. ft. per gallon (except on coarse stucco or shacks) when applied as the label directs. If it fails to do so, Gambles will, at the customer's option, furnish enough additional paint to complete the job at no charge or refund the entire purchase price.

**NEW!**

**EXTERIOR ACRYLIC  
LATEX WHITE**

- One-coat coverage guaranteed on any sound repaintable surface
- Outlasts conventional paint by years, is blister resistant
- Easy to apply, dries in minutes
- Acrylic formula resists fading!
- No unpleasant odor

# Your Choice!

Reg. \$7.49  
**\$6.49** Gallon

Paint now... paint only once... and enjoy a white house that stays white! Superlahide exterior gloss or acrylic latex paint dries to a hard finish that locks dirt and stains out. (Tutty—save now!)

**SUPERLAHIDE 3 1/2"**  
**Brush Nylon**  
**Golden**  
**\$3.99**

the finest quality brush Nylon bristles are tapered for maximum pick-up—less dipping, uniform release.

**NEW!**  
**EXTERIOR  
GLOSS WHITE**

- Outlasts, outperforms regular linseed oil paint
- Smog and smoke won't discolor Superlahide!
- Get "two-coat" coverage with one application!
